I therefore believe it is my duty to my Country to love It, to support Its Constitution, to obey Its Laws, to respect Its Flag, and to defend It against all enemies, everywhere forever!

## DESCRIPTION OF THE CHART OF THE "MIGHTY I AM PRESENCE"

(*"Voice of the I AM,"*® February 1937)

[SEE COLOR PICTURE 1]

The lower figure represents the human, or flesh body; the Upper Figure represents the Individualized Presence of God, which is the Electronic Body of the "Mighty I AM Presence." Between the flesh body and the "Presence" is the Higher Mental Body, a Form just as tangible in Its own Octave as your flesh body is here, but not illustrated on the Chart. It is your Discriminating, Selective Intelligence. The Higher Mental Body knows the Perfection of the "Presence" and also the imperfection, the undesirable creation which the human has drawn about itself, but will not accept the imperfection into Its World.

The Ray of Light which goes from the Heart of the "Presence" through the top of the head, anchoring within the Heart of the flesh body, is the Life, the Light, the Substance, the Energy, the Intelligence, and the Activity by which the physical body has Life and is enabled to move about.

When your attention goes to the "Mighty I AM Presence," this Ray of Light and Energy begins to intensify and expand, until the Point of Light within every cell of the flesh body responds to It. Then the process of throwing off the denser qualities of the flesh body begins. As this intensifies, the Radiance forms a Tube of Light about the flesh body.

You can call the "Presence" into action to make It so

invincible, so impenetrable that even a bullet cannot penetrate It. This becomes an "Invincible Wall of Light" enfolding you, and no human thought, feeling, or suggestion can penetrate It or disturb you in any way. This is one of the greatest needs of mankind today!

The Violet Flame flowing up, through, and around the lower figure, represents the Violet Consuming Flame, which is released by your "Mighty I AM Presence" when you call for Its Action to be passed through you and your world to consume all discordant creation, past and present.

The use of the Violet Consuming Flame is imperative. It is the only means by which all undesirable accumulation can be forever dissolved, consumed, and its cause and effect annihilated. Everyone should call the "Presence" into action to pass the Violet Consuming Flame from the feet up through the physical, emotional, and mental bodies like a blowtorch, dissolving and consuming forever every undesirable thing or condition which the human has drawn about itself. This is the *only means* by which you can become free from the wheel of birth and re-birth, free from the hundreds and perhaps thousands of embodiments in which you have lived.

Anyone who thinks it is not necessary or imperative to use the Violet Consuming Flame will find his great mistake too late. There is no human being on Earth that is an exception to this Mighty Law. Everyone in this world has felt discordant feelings, spoken negative words, and thought imperfect and discordant thoughts — which means just so much substance and energy qualified with discord, all vibrating within the body and around it in the individual's aura.

Everyone who has ever accomplished the Ascension, Beloved Jesus included, had to use this Violet Consuming Flame to dissolve his own human creation, before the Substance of

his flesh body could vibrate at a rate that would enable it to Ascend. This is what took place when His Body was in the tomb, and why His Body was undisturbed at that time. All must do this someday, and It is the only Way by which anyone can free himself and become Master everywhere he moves in the Universe.

When you sincerely and firmly give attention to your "Beloved Mighty I AM Presence," your Ascension begins that moment. The practical part of this True Understanding is that when you give your attention firmly to your "Presence," the Ray of Light and Energy from your "Presence" begins to intensify and expand, causing the rapid expansion of the Light within every cell of your body, until the Earth loses its attraction for the body.

Then as the attention continues to the "Presence," the finer part of the flesh body Ascends and is absorbed into the Higher Mental Body. Thus the Transformation from the human into the Divine takes place; all sense and appearance of age leaves the face and body, the hair returns to its natural color, and the clothing dissolves into the Garments of the Higher Octaves. Then the finer part of the flesh body is drawn into the Higher Mental Body, and It Ascends into the Electronic Body of the "Mighty I AM Presence" when the individual becomes the Ascended Being, which Beloved Jesus, Saint Germain, and hundreds of others are.

This is the individual's Eternal Body of Light that never changes. The Ascended Being can raise or lower the Rate of Vibration of His or Her Body and make It visible or invisible at will in the human octave. This is how the Ascended Masters appear and disappear at will. There is nothing spiritualistic about this. It is just a Mighty Divine Law of Life in Perfect Action, heretofore not understood.

The Ascended Master is as far above a disembodied individual as Light is above darkness. The Ascended Master is the Conqueror over so-called death, while the one who has passed through death has failed to hold the mastery, or control, of the substance and energy of the body. Therefore, he must return in another baby body, grow up, and try again to attain his Victory by keeping his physical body harmonious long enough for his "Beloved Mighty I AM Presence" to release through it the Full Power of Light and Love, and thus expand the Perfection of Itself, which is the Ascended Masters' Victory—the Ascension.

The Color Radiance around the "Presence" represents the accumulation of all the good from all the past lives of the individual. It is a Great Storehouse of Energy which the individual has earned. This Great Energy will be released into physical use when enough attention has been given to the "Beloved Mighty I AM Presence."

Around the lower figure, or flesh form, is the accumulation of whatever irritable, destructive qualities the individual has generated through the centuries. The Great Mercy of the "Beloved Mighty I AM Presence" is that few are ever permitted to see the discordant accumulation. This is why it is *imperative* to call the "Presence" to use the Violet Consuming Flame each day, until this discordant accumulation is completely dissolved and consumed.

At the left of the lower figure is Mt. Shasta, where some of the experiences of *Unveiled Mysteries* took place. At the right, are the Teton Mountains where the Retreat, the Royal Teton, is located. It is in this Retreat that the Great Assembly of the Ascended Masters meets twice each year to render a Mighty Service of Light, Love, and Perfection for the Freedom and Blessing of mankind and the Earth.

## THE ASCENDED MASTER SAINT GERMAIN

Beloved Mrs. G. W. Ballard

("Voice of the I AM,"® March 1936)

[SEE COLOR PICTURES 2 AND 5]

The Ascended Master Saint Germain is that Great Glorious Being who, in a former embodiment, was the Prophet Samuel mentioned in the Bible. He has labored throughout the centuries for the upliftment of mankind everywhere and is now working intensely for the Protection and Illumination of America. Having made the Ascension as Beloved Jesus did, He is now the Great Master who has charge of the New Civilization to come forth in America, for which He has worked unceasingly during the past two hundred years.

In the Middle Ages, He was embodied as Saint Alban and gave Great Service to the Light, being martyred in that life and sainted because of His unselfish fearless stand for the Truth.

His last embodiment was that of Lord Francis Bacon, who was the son of Queen Elizabeth by her husband, Lord Leister—the Duke of Leister being His brother. He worked continually in that life for the upliftment of England; but because of the intrigue at court and the activities of that age, His work was not allowed to reach the height which could have been attained, had He been obeyed and His Wisdom heeded.

He did write the Shakespearean plays, and that is why there has always been the controversy concerning them. Throughout these plays runs continually the Law of Life for which He has always labored, and there are some five hundred instances in which the acrostic of the name Francis Bacon appears in them. They also contain cipher code, giving the Inner Instruction of a school of Initiates on the Continent to which He belonged. He also wrote a book on cipher code which is still the world's authority.

The name William Shakespeare, under which He wrote the plays, signifies that it was the Will of the "I AM" that He shake the Spear of Wisdom at the darkness of ignorance, which all through the centuries has been His Special Activity for the Blessing and Illumination of every age in which He chose an embodiment.

He was the one who inspired the people of Oberammergau to institute the custom of giving the Passion Play every ten years, with gratitude to God for relief from the plagues and distress which had visited them in that locality.

It is for this reason that Students everywhere should understand that in no way are we trying to replace Beloved Jesus with Beloved Saint Germain. In the first place, who could? In the second, no Ascended Master ever does anything contrary to any other Ascended Master, for in the Ascended State, all is one Perfect Divine Activity, and Their Cooperation is one of Deepest Love and Harmony; but the Masters do not do each other's Work and each gives a Service to our Earth with which no other Master interferes.

Beloved Saint Germain loves Beloved Jesus very, very deeply, having done so all through the centuries; and because of His Great Devotion to the Light and Great Perfection for which They both labor, He and Beloved Jesus are naturally working together now, with the Great Cosmic Messenger known as the Great Divine Director, to bring forth the Permanent Golden, or "I AM" Age, for our Earth. This begins with the New Civilization destined to come forth in America.

Beloved Jesus gave the Public Example of the Ascension and made the Living, Pulsating, Etheric Record in the atmosphere of this planet, which stands as a Magnet of Light drawing all mankind upward until all make the Ascension. In making the Cosmic Record of His Ascension, He gave a Service

to our Earth that no other Master has ever given or ever will. Beloved Saint Germain, being the Lord of the Seventh Ray, which is the Activity of the Violet Ray and the Controlling, Directing Intelligence for the New Cycle of ten thousand years, is the Great Ascended Master who has been chosen to work with the Great Divine Director and Beloved Jesus to design and bring forth the Perfection and New Civilization that is to be the Permanent Condition on our Earth in the future.

Beloved Saint Germain illumined and raised His Body in 1684, left England and the Continent for many years, and went to the Himalayan Mountains to work at the Inner Levels of Consciousness. He returned to Europe in the Visible, Tangible, Ascended Body just previous to the French Revolution, and would have prevented it, had the people listened to His Counsel; but they refused to accept His Wisdom and paid in suffering for that refusal.

He has worked for America for the past two hundred years, and He is the Presiding Master under whom She is to come to the Fulfillment of Her Destiny as the Holy Grail, or "Cup of Light," from which the rest of the world will drink, now, and in the future.

America is the Heart of this planet; and as the Heart, She must be protected and illumined, if the body is to survive. America must be the supply of Light to the rest of the Earth, until the changes which are to come have brought Order and Peace to the balance of mankind.

Beloved Saint Germain's Service is given by the Outpouring of His Light and Love to the people of America and the world; and also through their conscious cooperation with the Ascended Masters, the Angelic Host and the Legions of Light; for These are very real, tangible Beings whose Love, Light and Power transcend all human concepts. They are ready at all times

to give without limit the Fullness of Their Blessings and Perfection to our Earth; but mankind must make the Call from the physical octave of Life in order to open the way for Their Great Perfection to flow into the daily experience of the individual.

It is only in this way that humanity can become free from its misery, degradation and limitation; because it must use its own energy to reach up and lift itself into the next Octave of Life in order to expand the Light and Perfection of the "Mighty I AM Presence," through its own self-conscious effort and desire to be Free.

The Triple Activity of the Great Divine Director, Beloved Jesus, and Beloved Saint Germain for America is a Service in which every Student of Light can join, by giving Them conscious daily recognition and calling the "Mighty I AM Presence" into action to charge everybody and everything in America with Their Limitless Outpouring of Light, Love, Protection, and Perfection—to blaze forth with such Irresistible, Dynamic Power, that nothing can withstand the Mighty Onrush of Its Glory, Freedom and Victory.

We ask all in America to make this Call—daily—with intense sincerity and feeling, that all may receive the most Powerful Assistance possible in the shortest time.

Beloved Jesus

(*"Voice of the I AM,"*® February 1937)

I want to say to the whole world: "Every human being who rejects My Beloved Brother, Saint Germain, rejects Me, and don't forget it." My Beloved Brother, Saint Germain, is just as real as I am and is an Ascended Being! He is completing the Work which I started two thousand years ago. May the whole

world understand that and give obedience to it. *The childishness of human minds and concepts that have drawn forth distorted ideas concerning Me, the world should no longer accept.* Therefore, Dear Ones, the Ascended Masters, and there are thousands of Them, are just as real as I am, and one day you will all find it out!

In the meantime, try to believe an Ascended Being, who could not and dare not utter a word of falsehood—and who is the Authority—until the day when you can prove It to yourself, as this good Messenger [Mr. G. W. Ballard] did after years of earnest, sincere calling. Do you not see that he could not be so firm and certain if he did not actually know? It is only the Reality that gives one such Strength—such Power and Firmness. Mankind should be willing to investigate and find out; but not enter in with a critical, condemnatory attitude, for in such an attitude, people will learn nothing. It is *impossible* to learn anything with that attitude.

Therefore, Beloved Ones, stand firm in, through, and by your “Mighty I AM Presence,” which is the Truth of the Ascended Masters, and your world will be flooded by the Perfection which They are and represent.

*No Great Accomplishment ever occurred in the physical world without the Assistance of the Ascended Masters. Let no human being deny that!* Because they do not see, know, and become aware in the outer consciousness of Our Assistance makes no difference to the Truth of It.

## Beloved Great Divine Director

(*"Voice of the I AM,"*® July 1937)

Let Me say one word about this Beloved One (*pointing to Beloved Saint Germain's Picture*). Beloved Children of Light, that Blessed One has worked for more than two hundred years for your Beloved America, and has given Assistance as no other human being in Heaven or Earth has given to America. He is really the Father of your Country. The Beloved Washington, the Beloved Abraham Lincoln, were sustained by His Power.

Beloved Ones, today America needs you as never before! That is why Beloved Saint Germain has brought forth this Work and these Mighty Decrees, so this Assistance could be given; because It goes forth in the mental and feeling world of mankind doing Its Work, even while you sleep. The need is for the Call from every human being for the Glory of this Mighty Power. It cannot and does not ever fail, when sincerely called into action, Beloved Ones.

## Beloved Jesus

(*"Voice of the I AM,"*® November 1939)

Remember, in whatever you do in this Service of the Light, you are serving Life for your Freedom! In My Attainment, I served Life for My Freedom. Your Great Benefactor, Beloved Saint Germain, served Life many centuries, until His Glorious Freedom came. His Great Love for Me was one of the greatest levers for His Achievement! I would like to have those in the outer world stand before Me and see if there is anyone who loved Me as He did and does! That is the test of Life! Human opinions are of no consequence unless based upon the Reality of Life—the Great Truth of Life.

## Beloved Jesus

(*"Voice of the I AM,"*® January 1940)

Dear Ones, you think very kindly of My Ministry and all that I brought to mankind, most of which you do not know. However, your Beloved Saint Germain is completing that Ministry in a Magnificent Manner which is indescribable. Why? Because He is the Law, the Authority for the Violet Consuming Flame, which I was not; and that is why My Ministry did not reach further than It did; and why much of the Reality which I gave was covered up in order to prevent mankind having the Freedom which was for all, or could have been, through It. Today, there is being given this Great, Great Assistance.

Why is it that during My Ministry all these things could not come about? For instance, the dissolving and removing of the astral or psychic world; the destructive substance and the destruction of all thought forms, not only the destructive, but all less than Perfect thought forms? Because your Beloved Saint Germain is the Law which brought the Activity, Law and Power of the Violet Consuming Flame into action upon this Earth—the only means by which these things could be done!

## Beloved Jesus

(*"Voice of the I AM,"*® April 1939)

Really, We are so rejoiced, and will you try to feel while I express these Words, how eternally grateful I am to My Beloved Brother, Saint Germain, for having the Courage and Strength to take up this Great Work which I started so long ago, and bring It to such fruition as He has at this time. Remember, Beloved Ones, among all the Great Ones who are

giving Him Assistance, He is the Authority for all that is done, because He is the Power, the Outpicturing of the Violet Ray to the Earth, which is the Mightiest, Cleansing, Purifying Element that has ever touched the Earth.

I say to you with all sincerity, had this Violet Ray, which the Great Cosmic Law did not permit Us to give out at that time, come forth at the beginning of My Ministry, the Earth would have held It in the outer forever; but owing to the accumulation of the ages, mankind must have more than human assistance, more Assistance than the Great Law of Life permitted Us to give them, in order to have cleansed and purified the accumulation of the ages. That is why today the Work of Beloved Saint Germain has been so stupendous, and is only getting well started. To have called the attention of so many hundreds of thousands to the "Great I AM" in so short a time is a Stupendous Activity of the ages. . . .

Then to think there are those of mankind so unhappy in their lack of understanding of the Law of Life, as to think that I am the only Authority for this Earth. How perfectly ridiculous! "I AM" the Authority under the Love Ray, and Beloved Saint Germain is the Authority under the Violet Ray, which must be combined to bring the Victory of the Ascension to mankind en masse. That is Law, My Dear Ones. I am sure the Students do not, but I say this, so it may reach all mankind—never for one moment think or have such a feeling as Beloved Saint Germain replacing Me or interfering with My Work!

He is the Greatest Blessing that has ever come to mankind, because He operates under the Ray which is the Purifying Power to the Earth. Without this Purifying Power, nothing on the Earth would be accomplished and mankind would be destroyed regardless of My Ministry. That is what I want you as Students of the Light to understand tonight in this Great Truth. It is

why mankind should be very careful in its ignorance as to what the people assert.

I say to the orthodox world and to so many who believe I am but symbolical, they should be very careful how they make comparisons between Saint Germain and Myself. Mankind, Beloved Ones, who do not yet know how to love, should not pass opinions on Those who have become the Embodiment of Divine Love and know no Power but Its Activity! Such is your Beloved Saint Germain! Such is Myself! Such are all the Great Ascended Masters, the Cosmic Beings and the Great Legions of Light.

Beloved Great Divine Director

(*"Voice of the I AM,"*® April 1940)

Beloved Ones, as your slang phrase goes—shall I put you on the spot tonight? Yes, I think I shall! (*applause*) Then listen carefully. You have been informed that certain Dispensations were secured from the Central Source of all Life, Intelligence and Substance to this system of worlds, haven't you? If you went to your banks here to receive assistance, you would have to leave some evidence of your sincerity, would you not? That is a little crude way to put it, but nevertheless it seems to fit just now. Well, since We are receiving and shall receive more Dispensations from the Great Central Source to this system, then who do you suppose is to take the Responsibility for you, as to whether you give obedience or not? Who do you think did? Your Beloved Saint Germain! (*applause—audience rising*)

May I use another of your slang phrases? Then, since being informed of this, are you going to let Him down? (*applause*) I am sure you are not. (*applause*) He would not say this to you Himself, but I think it is only just to you and to Him. You must

feel your Responsibility to that Great, Magnificent Friend of America! (*applause*) You will remember that He and your Beloved Nada were the only ones who saw at first that this Achievement could be, the rest of Us not having looked into the condition; but He said of His own volition, "I will try it out." (*applause*) Since the Achievement has been so great because of your loving, kind obedience, why not go on and on with the little yet required, which gives Him your greatest Light and Energy with which to gain the Final Victory for you and for America?

Beloved Jesus

(*"Voice of the I AM,"*® May 1940)

Remember, Beloved Students, while this has been said so many times recently, try to feel the full conviction of it today: "You are serving Life for your own Freedom. You are not serving Saint Germain; you are not serving the Messengers; you are serving Life for your Freedom." You are assisting Saint Germain; you are assisting the Messengers, quite true; but if you have the feeling you are serving them, it leaves you constantly open to outer things to intrude that will disturb you.

You have thought Me your Great Friend and Emancipator through these two thousand years, but My Dear Ones, can you not see that Beloved Saint Germain is the Law of the Seventh Ray, the Violet Ray to this Earth? It is the only means of releasing the Cleansing, Purifying Power. Do you not see then, He is a greater Emancipator than Myself? Yet He is using identically the same Laws, and He is also using the accumulated energy of mankind whose attention has been upon Me through these two thousand years. He will also use the energy from those who will come to understand this Law.

**SONG** (*sing one*)

“I AM” HERE! (57); ANGELS OF SAINT GERMAIN (68);  
or LIGHT OF MY HEART (1)

**OUR ACCREDITED MESSENGERS —  
MR. AND MRS. G. W. BALLARD**

Beloved Great Divine Director

(“*Voice of the I AM,*”<sup>®</sup> July 1937)

When Beloved Saint Germain first began to conceive the idea of putting forth this Work, I tell you frankly, when He said He had two people in physical embodiment whom He felt were strong enough to carry this Message, I said, “Saint Germain, are you sure?” After a little further looking over the situation, He said, “I shall try it out, and We shall see.” Today He has proved His Wisdom! Then I saw He was determined, and there were those in America whose Light was expanded or bright enough to respond to His Call. You are the people who lived in that long ago civilization—seventy thousand years ago. Do you realize you are quite aged? You may not know it, but you are much older than that. Beloved Ones, do you not see that Life knows no age? Life knows no lack of energy. Then what produces such results upon mankind? Inharmony and discord in the feeling, *and nothing else!* . . .

Beloved Ones, the Messengers’ experience ought to be an Eternal Proof to all mankind of how the “Mighty I AM Presence” acts. They have told you how they went forth without money when Beloved Saint Germain asked them to go. They said to the “Mighty I AM Presence,” “Now this is Your Business;

if You do not supply us, we will go home," and they have been going ever since. That means, Dear Hearts, these Beloved Messengers applied the Law with dynamic energy, insistent and powerful. You have no idea what they have had to meet from human beings—from human beings! Yet every condition has been handled through the calling of the "Presence" into action, without a single failure.

### Beloved Jesus

(*"Voice of the I AM,"*)<sup>®</sup> February 1936)

Let no one desire to transcend nor replace these Beloved Messengers in this Light and Expression of the "I AM" which Beloved Saint Germain has given forth. They have proven their ability to stand in the Light, and with no personal desire, carry unselfishly the Pure, Unadulterated Message of the "Mighty I AM Presence." Until the Ascended Masters come forth in Their Tangible, Visible Bodies, they will remain the Direct Messengers of Saint Germain, Myself, and others of the Ascended Masters. It is only through their joyous and willing obedience to Our slightest wish that it has been possible to bring forth this Expression and Understanding of the "I AM" in the Purity and Clearness in which It is expressed today.

### Beloved Goddess of Light

(*"Voice of the I AM,"*)<sup>®</sup> November 1938)

You must realize that anything which comes forth and disagrees with the Instruction of Beloved Saint Germain through the Messengers is not correct. The Ascended Masters, *by flashing*

*Their Words* (through this means I am using tonight to express My own Feelings and Words to you) is the way that assures Freedom from human concepts, human imperfection. This must be maintained until enough of mankind are so firmly anchored in the Light and so clear in the Direction of the "Mighty I AM Presence," that no discrepancy nor confusion can come in; but until that time arrives, the Messengers must remain the Authority under Saint Germain for keeping this clean, pure, and untouched by human concepts.

### Beloved Saint Germain

("Voice of the I AM,"® October 1938)

Do you know that I have tried to bring this Ascended Master Instruction of the "Mighty I AM Presence" forth for six hundred years? When I thought I had Napoleon to the point where he would give obedience, he failed Me; yet had he obeyed Me, it would have saved all the wreckage of Europe since. He was, in the beginning, as obedient as you or the Messengers; but in an unguarded moment, through a condition which I do not care to mention, he opened himself to those destructive forces; and I could not get him to listen afterwards. I went to his apartments in Paris as a last effort, and placed a screen across the room. I walked in behind it one form and came out another to prove to him the Power of Life; and still he would not believe, after he had evidence untold.

Therefore, in your seeking evidence of proof of Ourselves or Our Light, remember Napoleon. Beloved Ones, the human ungoverned will *never* admit Perfection. Remember that! Until you, like the Messenger, make your human come into obedience and be silent, you will not know Happiness in its fullness.

He was fortunate at that moment, because ten minutes later, he never would have accomplished it, but, unknowingly, he was cooperating with the Great Cosmic Law.

You have seen, in the Work of the Messengers, everything suddenly stop in order to bring into action the Great Cosmic Law to cooperate with your Calls. That is the Power of Wisdom acting, Beloved Ones.

I love you, Friends of America, every one, and I love you, Beloved Students, with a Power of Love that is unknown outside of Our Octave in which there is no human quality. It is the Power of Light which can lift you to the Heights, every one of you. You see how the Messengers have been lifted to their present Height; and yet in their great Love and Obedience to Me, everything they have is offered to Me and shall always be—not because I ask it, but because they love Me; because they have found that I make no mistakes and have not deceived them once. Neither shall you, if you give Me that same obedience, for *I ask only your obedience to your own Life*, so I may assist you into Eternal, Everlasting Freedom.

### Beloved Saint Germain

(*Voice of the I AM*, "® December 1938)

These two whom I love so much, who have given such implicit obedience, are as humble as humbleness can be before the Presence of Life, before Me, and before the Great Host of Light. That has made all this possible. Without them, mankind would have been in the most seething vortex of war right in your midst today. Your Capitol would not be here today. Believe this or not, Beloved People, I know what I am talking about;

and the foolishness of those of mankind who do not believe this, would have had the opportunity to see that destruction, but for the loyalty of these Beloved Students all over America and the world, whose Hearts have been so good. They have been dauntless, and with Limitless Energy have issued these Mighty Decrees through the years with great intensity. This is just one of your Rewards which Life is offering.

Beloved Mrs. G. W. Ballard

(*"Voice of the I AM,"*® April 1940)

Our Beloved Messenger, Guy W. Ballard, was and is the Open Door through whom this Light could be given to set us all Free. Even Beloved Saint Germain said He tried for six hundred years to get this Light released in the physical world to set mankind Free, and *only* our Beloved Messenger was strong enough to be the Open Door. Not you, nor I, nor anyone in this world should ever have credit for that but just our Beloved, Blessed Messenger — our Precious Guy W. Ballard. We all bow before His Great Strength and Light which have saved us all.

We had Beloved Jesus for nineteen hundred years. We had the Masters as Theosophy and the Orient taught. We have had countless statements of the Law of Truth and Perfection; but only one person a year out of three and a half billion people on this Earth, ever attained his Ascension. Even with all the Assistance given mankind in the centuries past, none of us were able to apply what we knew enough to gain our Freedom.

Since our Beloved Messenger came and gave this Light from Beloved Saint Germain, we have all had much greater good and freedom in our own individual worlds. Then never let any of us for one second, ever dare to think, say, feel, or do anything which would try to make others feel or believe that

we are the Power or Understanding which is helping to set the Student free. The *only Power* in this Activity or any other that ever did anything good for anyone is the Divine Activity of Life, which is the "Mighty I AM Presence"; and no human being in this Activity shall ever take the credit in thought, feeling, word, or act and remain as a Group Leader or representative of this Mighty Ascended Master Instruction of the "I AM"—the only possible hope of Freedom or Divine Justice to the people of this world.

## THIS ASCENDED MASTER INSTRUCTION

Beloved Mrs. G. W. Ballard

(*"Voice of the I AM,"*® November 1938)

This Ascended Master Instruction is all that is honest, honorable, true, sound, balanced, intelligent, practical, and perfect. There is not one thing about It which any straight-thinking person cannot accept. It is brought forth in the interest of the public good for the Illumination of the people, the Protection of America, and the Freedom of all mankind. Every human being on Earth can prove this Ascended Master Instruction true, and no one can prove It false. *It is the only permanent, sustained Power in the whole Universe for any Constructive Activity.*

The Ascended Masters and we are determined to sustain every constructive person, place, condition, and thing in America so the Balance of all Constructive Forces may be maintained for the whole world.

Whatever anyone does in the defense and expansion of this Activity is just that much added Protection and Supply for

himself, his loved ones, America, and the world. We love America as few people can understand, because our Country is the last hope on Earth for the freeing of mankind from the discord into which it has been riding headlong to complete destruction.

Regardless of anything any human being does, this Ascended Master Instruction *shall be kept forever free* from human mistakes and viciousness. *There shall be one Avenue of Assistance to mankind which shall forever remain uncontaminated by human selfishness and misunderstanding.*

## AMERICA'S PROTECTION

Beloved Mrs. G. W. Ballard

(*"Voice of the I AM,"*® June 1936)

The first of this coming July is a time of very great importance to America and the Students of the "I AM," because another Outpouring of Tremendous Light and Perfection for the Assistance of America, mankind, and the Earth will take place at that time.

The sincere, Self-controlled Students of Saint Germain's "*Instruction of the 'I AM' and the Ascended Masters*" are the Guardians of America's Light and the channels through which She can receive the Ascended Masters' Protection. Therefore, we ask all the "I AM" Students to call with great intensity for the "Mighty I AM Presence" and the Ascended Masters to release the Violet Consuming Flame of Divine Love throughout the Earth with the Power of a Thousand Suns to consume all unlike Itself; to charge all the energy in the gas belts within the Earth with the Victorious Love of the entire Host of Ascended Masters; to seize possession of America, and hold it with Invincible Power;

and to fill Her with the Eternal Perfection of the Great Central Sun forever!

This Instruction of the "Mighty I AM Presence" is focusing Mighty Pillars of Light throughout America, to be maintained and expanded as Sanctuaries of Protection and Supply, for the Blessing of America and the world. The Students and the people themselves must reach up and make the Call to their Eternal Source, the "Mighty I AM Presence" and the Ascended Masters, in order to draw an Individual Ray of Light and Its Activity into their own bodies, auras, homes, and activities. It is absolutely necessary that the individual make the Call for the Projection of this Ray of Light into himself and his world; because It is the means by which he is consciously moved into constructive activities and localities where the Protective Power is and will be anchored.

Without the Ascended Masters' Marvelous Directing Intelligence and Projection of these Rays of Light, the individual has not enough Harmony within himself at this time to enable his own "Mighty I AM Presence" to control him, so that It releases the Full Power which is needed when world changes occur.

This is *not* a suggestion of fear, but is a definite offer of Invincible Protection to those who have the Wisdom to listen to it and do the thing which is needed to cooperate with the Great Law that the Ascended Masters explain, and of which They are the Living Examples and Fulfillment.

The Students, through their Group Activities, are the Guardians who have been prepared at this time to do the Work that does give the needed Protection. We ask all the Students to make the following Call with the greatest intensity of their beings; but with Limitless Joy in their feelings, for Joy is God's Mighty Motor of Energy and Power, and releases instantly into

dynamic action the Fulfillment of whatever Call is being made to the "Presence of the 'Mighty I AM.' "

*"Beloved Mighty I AM Presence!" Come forth in Thy Infinite Ascended Master Power, and release throughout America and the Earth whatever is required, to consume all selfishness of mankind—now; to flood the world with that Light which casts no shadow, and compels all It contacts to become Its own Mighty, Limitless Perfection forever; to charge forth the most Dynamic, Instantaneous Action of the Violet Consuming Flame and the Secret Love Star; and to fill all with the Eternal Joy of Thy Great Freedom!*

Call the "Beloved Mighty I AM Presence" into action to inspire every public official to do the Perfect Ascended Master thing that blesses, protects, and brings Perfection to America and Her people *now!*—to charge their beings and worlds with Beloved Saint Germain and the Divine Director's Marvelous Directing Intelligence and Ascended Master Control of all concerning America.

We thank all the Students of the "I AM" for their marvelous, untiring assistance. We call the "Mighty I AM Presence" and the Ascended Masters into action to shower them with the Limitless Gifts from God's Treasure-house to bless them forever!

## **USE OF THE WORDS "I AM"!**

Beloved Saint Germain

*(The "I AM" Discourses, Volume 3, Discourse I)*

**INVOCATION:** Thou Infinite, "Mighty Presence" — Thou All-Pervading Principle of Life! We give praise and thanks for Thy Wondrous Activity, through all outer presence. Out of Thy Mighty Essence comes all that is, and oh, that humanity might understand, Thou art ever and forever Self-sustained. Thou Mighty, Active Principle of Life, surge forth in the outer activity of mankind and manifest Thy Supreme Justice *now* in all places.

Mighty Presence of Light—God in Action! Govern the minds of mankind, holding them to Truth and Justice, and see that Thy Messengers are placed in all official positions; let naught of the outer interfere, so none of humanity may accept any thought of deception.

Mighty Presence of God in Action, surge forth in the minds of all, expressing Thy Conquering Presence.

**GREETINGS:** I bring you Greetings from the Perfected Ones, who are watching closely over, and ministering to all.

### **THE DISCOURSE**

Life, in all Its Activities everywhere manifest, is *God in Action*, and it is only through lack of the understanding of

applied thought and feeling that mankind is constantly interrupting the Pure Flow of that Perfect Essence of Life which would, without interference, naturally express Its Perfection everywhere.

The natural tendency of Life is Love, Peace, Beauty, Harmony, and Opulence, for Life cares not who uses It, but is constantly surging to pour more of Its Perfection into manifestation, always with that Lifting Process, which is ever inherent within Itself.

### “I AM”

“I AM” is the Activity of that “Life”!

How strange it is that Students, with sincere interest do not seem to get the True Meaning of those two Words.

When you say and feel “I AM,” you release the spring of Eternal, Everlasting Life to flow on Its way unmolested. In other words, you open wide the Door to Its natural flow. When you say “I AM not,” you shut the door in the face of this Mighty Energy.

“I AM” is the Full Activity of God!

Having placed before you so often the Truth of *God in Action*, I wish you to understand Its First Expression in Individualization. The First Expression of every individual, everywhere in the Universe, either in spoken word, silent thought or feeling, is “I AM,” recognizing Its Own Conquering Divinity.

The Student, endeavoring to understand and apply these Mighty, yet Simple Laws, must stand guard more strictly over his thought and expression, in word or otherwise; for every time you say “I AM not,” “I cannot,” “I have not,” you are, whether knowingly or unknowingly, throttling that Great “Presence” within you. This is just as tangible as if you placed your hands about the throat of an outer form; only with the outer form,

your thought governing the hand, you can release it at any time; but when you make a declaration using the words, "I AM not," you set into motion Mighty, Limitless Energy which continues to act, unless it is recalled and the imperfection consumed and transmuted.

This shows you the enormous power you have to qualify this Mighty Energy of God; and I tell you, Beloved Students, dynamite is less dangerous, for that would but liberate you from the body, while these thoughts sent forth ignorantly and un-governed bind you upon the wheel of re-embodiment indefinitely.

Thus you can see how important it is for you to know what you are doing when you thoughtlessly use wrong expressions, because you are using the most Divine Principle of Activity in the Universe—"I AM."

Do not misunderstand Me, this is no idle, foreign, nor Oriental expression, but the Highest Principle of Life used and expressed throughout every civilization that has ever existed; for the First Expression every Self-conscious form of Life gives is "I AM." It is only afterwards, in its contact with outer, wrongly qualified activity, that it begins to accept anything less than "I AM."

Now, Dear Students, do you not see, that when you say, "I AM sick," you are just reversing this Principle of Life, which is naturally all Perfection? Thus you are requalifying it by your willful ignorance with something which it never naturally possessed.

Through long centuries of willful misunderstanding, humanity has charged the very atmosphere about individuals with falsehood and unreality; for I need not say to you, that when you say, "I AM sick," it is an abject falsehood in respect to your Divinity, which cannot be sick.

Does this sound harsh to you?

Then I say, think it over, and you will see what a Blessing and Release it can be to you.

I say to you, Dear Students, in the Name of God, stop using these wrong expressions of your Godhead — of your Divinity — for it is impossible for you to have Freedom as long as you continue to do it! I cannot speak of this to you too often, that when you *really* recognize and accept the Mighty Presence of God in you, there are positively no adverse conditions.

STOP! I say to you, giving power to the outer conditions, persons, places, or things; and in the Name of God, every time you find yourself starting to say, “I AM sick,” “I AM broke,” “I AM not feeling well,” instantly reverse this fatal condition to your progress; and declare silently, with all the Intensity of your being: “I AM” — which is all Health, Opulence, Perfection, Happiness, Peace, and the Power to recognize Perfection in yourself and everywhere else.

When you think of the Expression, “I AM,” it means that you know you have *God in Action*, expressing in your Life. Do not let these false expressions continue to govern and limit you! Continually remind yourself: “I live, move, and have my Being and all outer expression in the Full Opulence of God, made manifest every moment.”

In thus reminding yourself of this Invincible, Unconquerable “Presence,” you keep the Door open for Its Pure, Invincible Essence and Intelligence to weave into your outer expression that Wondrous Perfection.

I plead with you, Dear Ones everywhere, do not continue to use these wrong expressions, thinking that in some hocus-pocus way, you may slide past reaping the result! *It simply cannot be done!*

Many of you know they use the branding iron on the

Western Frontier as a recognition of ownership by the ranchmen. So great is My Desire to have you recognize and hold fast to the Active Presence of God in you that I almost long for a branding iron to brand those Words "I AM" into your consciousness for constant use, so you could not be drawn off the Recognition, Acceptance, and Use of that Mighty, Glorious Presence of God—which you are.

I trust all who may hear or read these Words will feel the Power and the Mighty Conviction of this Truth which goes with Them, leaping into action wherever expressed.

If at any time anything less than Perfection attempts to make an appearance in your experience, declare *vehemently* that it is not true; and you accept *only* God, which is Perfection in your Life everywhere manifest. As long as you give way to accepting false appearances, you will have them expressed in your Life and experience. It is not, Dear Student, a matter of belief on your part, whether you accept these Truths or not, but They are The Law, proven through long centuries of experience, and are placed before you for your Freedom.

Awaken to the fact that your thought and feeling in the past have built—created—the inharmony of your world today. Arise! I say, Arise! And walk with the Father—the "I AM"—so you may be free from these limitations. There is only one thing in this Universe which can surround you with limitation, and that is accepting the outer appearance, instead of the Mighty, Active Presence of God in you.

The Western World likes to fool itself with the idea that it refuses to accept the ancient and Eastern idea of sorcery—in other words, the misuse of the Spiritual Powers. The worst kind of sorcery is being used in the political fields today that has ever been known in the history of mankind, through the use of mental power—wrongly qualified.

If this same tremendous mental force were used in just the reverse way, to know *there is only God in Action in every individual filling official places*, the sender of that Quality or Truth would not only be free himself, but the political world would be filled with Freedom and Justice. Then we would experience a Natural World, a World of *God in Action*—everywhere present.

It is today as it was at one time in Egypt: those who misuse the mental power are binding themselves to the rack of inharmony, embodiment after embodiment.

Take the stand: "I do not take on conditions from anybody or anything about me but God—Good—and 'I AM' always God-Commanded." You need to acquire the habit of stilling yourself. Sit down three or four times a day, and simply still the outer self. This will let the energy be supplied. Learn to command and control the energy in your body. If you want the energy still—be still. If you want the energy active—be active. You must stand up, face a thing and rise above it. There is no other way.

The Student should watch in every way for habits and break them up. He should not have to be told, but must look within himself and uproot whatever is not Perfect. This brings a Freedom not possible in any other way.

The holding on of old habits is just like wearing old worn-out garments. The Student must not wait for someone else to think these things out for him. He must do it himself. It is not possible for anyone to do it but himself.

In this Work and under this Radiation, everything that is latent in the individual is being brought forth to be consumed. Watch—that the attention does not become fixed on the thing you do not want.

It is ridiculous to keep recalling things which have not

worked out. If you have built your limitations for centuries and can, by this attention and self-effort, free yourself in a few years, isn't it worth it? Is it not marvelous?

A humorous sense of getting away from a thing is sometimes the quickest and most powerful way of doing it, for a buoyant, joyous feeling releases the energy which many times enables a very wonderful manifestation to take place.

If one will buckle down to brass tacks and call on the Law of Forgiveness, he can then consume all past creations in the Consuming Flame and be Free. You must be conscious that the Flame is the Active Presence of God doing the consuming.

The Freedom of God is here in action. When you have a feeling to do a certain constructive thing, go ahead, stick to it, and do it, if the Heavens fall. *Whether the manifestation comes now or not, should not enter into your consciousness at all.*

Even when Students only know a thing intellectually, they should not allow the mind to keep recalling wrong conditions, when they know what it does to their success. It is unbelievable that people will not conquer this enemy in their consciousness. No Student can ever gain the Victory until he stops turning back to the old negative conditions he is trying to get rid of.

The whole work of a teacher is to get some means and explanation over to the Student of the activity of *acceptance*. What the mind accepts is that which the individual agrees with, through his *attention*, by letting the two become one. When the mind accepts and agrees with a thing or condition, the individual decrees it into his world. Whatever you let the attention rest upon, you are agreeing with and accepting, because through the attention you have let the mind become one with it.

If an individual were to see a rattlesnake coiled, would he walk right up to be struck? Certainly not! Yet this is what Students are doing when they let their attention turn back to

their troubles. Such habits are only past momentum given a specific quality.

There are only two activities in Life, and if you will not let the Inner govern according to Its Plan of Perfection, then the outer must.

When a constructive picture is flashed to your mind, it is a reality. When you recall it as a mental picture and hold it again, it calls forth the reality.

One can become so aware of his own God Presence, that at any time, he can see and feel Its Radiance pouring out to him.

For things it does not want, the outer has all the confidence in the world. It is up to the Student to *compel it* to have the same confidence for the Perfection of God, that it has for the imperfection of the senses.

The Student must always rely on himself. He must always think, "What can I do to intensify this Activity from the hints given?"

**BENEDICTION:** Mighty Perfected Ones! As we receive Thy Magic Circle of Protection, as we receive and are enfolded in Thy Mighty Opulent Presence, O Master Within! we accept fully that Opulence made manifest in our outer experience and use. We give praise and thanks for Thy Wisdom in Its use. We give praise and thanks that we have the *full strength* to accept only Thy Mighty Active Presence at all times, and to *refuse acceptance* to anything unlike Thee!
