Kocamansur Sok. No.56/1 Şişli/İSTANBUL

Serapis!
 The Sacred Bull!
 The Sun in the Taurus!
 The Sacred Serpent!
 The Retiring of the Bull!
 Every twenty-five years,
 Crescent and Star and the Sun!

Labyrinth!

The prevailing fashion or style at a particular time.

Prove more powerful; be victorious!

Be widespread or current, persuade to do something.

Before, have power, a number of people or things in a more or less straight line.

A difficult task, to forming a line.

In succession, travel by this way:
 Engage in the sport of rowing.
 Complete the course of a boat race with little effort.

A spell of Rowing:

A flat piece hinged vertically near the stem of a boat for steering.

A vertical aerofoil pivoted from the tail plane of an aircraft for controlling movement about the vertical axis.

A pole with a flat blade, used to row or steer a boat through the water.

Give, an opinion without being asked.

A large tree which bears acorns and has lobed leaves and hard durably wood.

Denoting the amount of land a yoke of oxen could plough in a day.

Shut the outer door of one's room as a sign that one does not wish to be disturbed.

Drive or push forwards,
Drive in the particular situation,
Forward to drive!

Write or name, the letters that form in connect sequence.

Make up a form.

Be sign of, lead to!

Explain something simply and in detail,
a short period of time, a period of rest
from work.

Take someone's place in order to allow
them to rest briefly,
Take the place of!

A manner of doing something, make into
a particular form or article to a certain
extent but not perfectly, in a manner
similar to:
Do, make.

Emitting light as a result of being
heated, containing a filament which
glows white-hot, when heated by a
current passed through it.

Extremely angry!

Glow with heat!

A supreme ruler of this people:
Quecthua!
Lord, royal person,
Delight, charm!

Put under a spell, in sing; the herb used
by Circe to charm Odysseus'
companions.

II

A person or thing that protects a regent in charge of a kingdom during the minority absence or incapacity of the sovereign.

A person who is guided and supported by an older and more experienced or influential person, keep saved from harm or injury, aim to preserve, shield from competition.

Provide funds to meet, cover in front.

Lead in!

Asked earnestly or humbly, withdraw from a promise or undertaking.
Sit up with the front paws raised expectantly in the hope of a reward.
Invite a question or point that has not been dealt with; assume the truth of an argument or proposition to be proved without arguing it.

Be available because unwanted by others.

A name for the devil: Decorate lavishly.

Give a spoken or written account of.
Provide a commentary to accompany.
Relate:

Give out steady light without flame,
having an intense colour and a slight
shine.

Convey deep pleasure through one's
expressing great prize.

A steady radiance of light or heat, a
feeling of pleasure well-being.

To wash:

Firmly, fixed, supported or balanced,
not faltering or wavering; controlled,
sensible and reliable, regular, even and
continuous in development, frequency or
intensity.

Place down lead!

III

Happening quickly or promptly!

Moving or capable of moving at high speed.

A light adjustable reel for holding a skein of silk or wool, move in a course, run, bilaterally symmetrical:
Feathered, winged.

To choose:

Alter slightly in order to achieve a correct or desired result. Adapt or became used to a new situation.

To hear:

A length of thread or yarn loosely coiled and knotted; a flock of wild geese or swans in flight in a V-shaped formation; a supporting framework, basic structure or essential part; a discreditable or embarrassing fact that someone wishes to keep secret.

Dried up!

Elixir of life! Immortal!

Change in the character, appearance, direction.

Other:

The height of an object or point in relation to sea level or ground level; the apparent height of an celestial object above the horizon, measured in angular distance; the length of the perpendicular line from vertex to the opposite side of a figure.

High!

The horizontal component of the direction of a celestial object from the observer expressed as an angular distance from the North or South point of the horizon; the horizontal angle or direction of a compass bearing.

All way, direction!

A long thin line or piece; a helical ridge on the outside of a screw or on the inside of a cylindrical hole, to allow two parts to be screwed together; a programming structure or process formed by linking a number of separate elements or subroutines through something and into the required position for use.

Strength, ability!

Readiness:

Of a trained hawk fit and in proper
condition for hunting.

Talk!

A length of something wound in a joined
sequence of concentric rings; bring or
gather together.

Systematically seek an acquire.

Go for and bring back!

Arrange, prepare!

Grasp!

Towards upon hang to death!

IV

Make null and void!

Cancel out, invalid!

Having or associated with the value zero.

Having no element or only zeros as elements.

Having no positive substance.

Not any!

Completely empty space, unoccupied.

Valhalla: The slain hall!

Leave!

Be strong:

An arm, leg or wing, a large branch of a tree, a branch of a cross, a specified edge of the disc of The Sun, The Moon, or other celestial object ; the blade or broad part of a leaf or petal ; the spreading part of a tube shaped flower.

The graduated area of a quadrant or other scientific instruments.

Hem, border, each of four parts of a circle from four.

Complete and airtight!

Insulated or protected from outside influences.

Hermes Trimestigus!

A person living in solitude as religious discipline, a reclusive or solitary person.

Turn under and sew the edge of.

Surround and restrict the space or movement, not allowing air to escape or pass through.

Grow again, a person who avoids others and lives a solitary life.

Again to shut!

Done or existing alone.

A single diamond in a piece of jewellery; a ring with the single gem.

Join, fasten or repair,
Bring something to a favourable state or conclusion.

Sīvān: the ninth month of the civil and religious year.

Severe!

Showing great knowledge or insight,
very deep.

Disjoin, divide of something bad,
undesirable or difficult; very great
intense, existing at or from the
beginning of time, first of all, first
begin.

A solution rich in organic compounds in
which life on Earth is originated,
widespread in a particular area at
particular time.

Predominant, powerful!

Prove more powerful; be victorious!

Before have power; a dragon, winding
and twisting. Complex, cunning and
treacherous!

A dark green mineral consisting of
hydrated magnesium silicate, sometimes
mottled and spotted like a snake's skin,
move or lie in a winding path or line.

A metrical line beginning and ending
with the same word:

Severe!

V

Guilty of or involving betrayal or
deception, having hidden or
unpredictable dangers; to cheat!

Not decorated elaborate; simple or
ordinary.

Without a pattern;
In one colour!

Unmarked;
Without identification!

Easy to perceive or understand;
clear!

Not using concealment or deception;
frank!

Having no pretensions; not remarkable
or special.

Not marked by any particular beauty;
Ordinary looking!

Sheer, simple, flat!

Mourn, Lament!

Complain! To lament!

Flow with a swirling motion and
bubbling sound; purl!

Nothing other than, completely right,
pure, clear:
To swerve or change course quickly.

Lamb of God!

A song, piece or music or poem
expressing grief or regret.
Mourn a person's death.
Weeping!

Give out a bright light; glow with
reflected light.
Direct somewhere!

Be bright with the expression or
emotion.
Be clearly evident.

Such an assembly or congregation, bring
together, abruptly diverge or cause to
diverge from a straight course. Such a
change of course, a tendency to swerve
imparted to a ball.

Depart, leave and turn aside.

VI

A shrub rose of a variety with grey-green leaves and pinkish-white, sweet scented flowers.

White!

An old white garden rose.

An edible juicy fruit from South-East Asian plant: Dragon's eye.

A quality or state of being different and diverse, a thing which differs in some way from others of the same class; a type.

A subspecies or cultivar!

More than one; individual and separate.

Editio Cum Notis Variorum.

Prepare and use.

Raise or grow.

Grow or maintain.

Try to acquire or develop.

Try to win the friendship of favour of refined and well educated.

Live in or occur, in dwell; an acrobat,
especially a tightrope walker!

Bring into, attain or maintain a state of
equilibrium, having all its sides of the
same length, at equal distance.

Produce by making lines and marks on
paper.

Trace or produce on a surface.

Pull or drag so as to make it fallow
behind.

Pull or move in specified direction.

Pull shut or open.

Arrive at a specified stage or point in
time.

Extract from a container or receptacle,
obtain from a particular source, a
current of cool air in a room or
confined space.

A single act of drinking or inhaling, a
quantity of a liquid with medicinal
properties.

The depth of water needed to float a
particular ship:
Her shallow draught!

A catch of fish!

Preliminary version of a piece of writing, a plan or sketch, a written order to pay a specified sum; select and bring them somewhere for a certain purpose.

An interpreter or guide in a country speaking Arabic, Turkish or Persian; of little depth; not showing, requiring or capable of serious thought:

Shalom!

Peace!

A large number of people, a submerged sandbank visible at low water, become shallower.

The Holocaust!

A catastrophe!

Overturning, sudden turn; a branch of mathematics concerned with system displaying abrupt discontinuous change.

The theory that changes in the Earth's crust from sudden violent and unusual events; the action or fact.

Of uniting or being united:
A state of harmony, agreement!

A workhouse must set up by such a
group of parishes; the set that
comprises all the elements contained in
any of two or more given sets;
a joint for couples.

The one:
The theory that changes in the Earth's
crust during the geological history have
resulted from the action of continuous
and uniform processes, make or become
united or uniform.

VII

Performed by or affecting only one person or group; a team of horses arranged two abreast with one leading.

A single horn!

The smallest unit of local government in rural areas; sojourning, beside, subsidiary dwelling, the administrative body in civil parish.

A vivid green toxic salt of copper and arsenic, used as a preservative pigment and insecticide.

A point which parts are joined, linked or become linked, connected to:
Unite!

Districts outside large urban areas, lying opposite, against; a constant representing the strength of the interaction between a particle and all field.

To seal effectively with someone is difficult.

A blow with the fist!

To live in or at a place, to think, speak or write at length about, is a slight pause in the motion of a machine.

To remain in a place, a house used as a residence and not for business, an unchanging situation.

A component of a relationship between variables that does not change its value.

A relation or property which remains the same in all circumstances or for the same substance under the same conditions; stand, firm.

A copper-nickel alloy used in electrical work for its high resistance.

Established a constellation;
a group of associated people or things.

A star!

Having an unyielding surface or structure, solidly in place and stable.
Having a steady power or strength.
Explicit and definite; in a resolute and determined manner.

An establishment for breeding,
Or growing,
To use,
To fix,
To settle!

VIII

Experienced or skilled in;
knowledge about, be engaged in; writing
arranged with a metrical rhythm.

A topological function based on
distances or on quantities analogues to
distances:

A line of poetry.

A turn of the plough; a furrow.

A line of writing.

To turn to the rise of a bridge:

Not to having a persistent illness or bad
habit, not to a medical condition of
unknown cause with fever, aching and
prolonged tiredness and depression.

Of time:

A written account of important or
historical events in order of their
occurrence, a record in a factual and
detailed way.

A foundation basis.

The rudimentary basis of a particular
organ or other part, especially in an
embryo!

An aromatic plant with greyish-green leaves used as a culinary herb.

Be wise!

Involving or limited to basic principles.

The first principles of subject, an elementary or primitive form of something beaten out or shaped by hammering, made or fashioned in the specified way:

Well-wrought!

Activity involving mental or physical effort done in order to achieve a result:
A job!

A task or tasks to be undertaken for good and moral deeds.

The action that is performed intentionally or deductive; consciously.

The action of deducting:
The inference of particular instances by reference to a general law or principle.

Into eye, an allusive or oblique remark,
a suggestive or disparaging one; make
changes in something already existing
as by introducing new methods, ideas or
products.

To innominate either of two large veins of
the neck; characterized by the in
reference of general laws from
particular instances.

Lead in!

The practice or device of making
indirect or implicit references, in the
sense like "marry someone of unequal
rank", essentially different in kind, not
able to compared, unequal:
Be the living embodiment of a quality.

Into flesh! From imprison or confine.

Colour a bright crimson or pinkish-red:
Flesh colour!

IX

Implied though, not directly expressed.

Always to be found in, no qualification or question.

Not expressed directly, in terms of independent variables, indicate by suggestion rather than explicit reference.

Suggest as a logical consequence.

Equivalent in value to the sum or item specified, having income or property amounting to a specified sum; deserving to be treated or regarded in the way specified.

A person important in a particular sphere, suitable for a specified thing.

A bright green mineral consisting of hydrated basic copper carbonate.

A pale purple colour:
Mauvish.

A building especially a large and stately one; housing a tomb or tombs.

Recognition and understanding of the difference between one thing to another, good judgement or taste is to distinguish between; of or connected with eyes or vision.

The ability to notice significant details, the taking of Sun's or another celestial body's altitude to find a latitude or longitude.

A comment based on something on has sent, heard or noticed:
To watch!

X

The quality of being made up of exactly similar parts facing each other or around an axis.

Correct or pleasing proportion of parts.

Similarity or exact correspondence, the property of being unchanged by given operation or process:

With measure.

Fellow drinker!

A complex whole;

a set of things working together as a mechanism or interconnecting network with set up an ethical theory that treats self-interest as the foundation of morality.

The part of the mind that mediates between the conscious and the unconscious and is responsible for reality testing and a sense of personal identity:

"I".

To look; having the same end or result.

Suffer patiently!

Tolerate!

Remain in existence!

Harden!

Of little value or importance: Denoting a subgroup that either contains only the identity element or is identical with given group;
place where three roads meet.

A state of happiness based on not knowing about or ignoring potential trouble, causes to feel dissatisfied or unfulfilled.

Prevent from progressing, succeeding or from doing or achieving something; a person who exploits others ruthlessly, having no meaning.

Empty, without substance!

Brother!

Correctness concerning standards of behaviour or morals,

Appropriateness,

Rightness,

A thing or things belonging someone, a characteristic of something,

Truly what something is said or regarded to be:

Genuine,

Correct.

XI

A symmetrical open curve formed by the intersection of a cone with a plane at a smaller angle with its axis than the side of the cone. Excess, above to throw.

Behaviour, showing high moral standards; the characteristic of man.

A mark of disgrace associated with particular circumstance, quality or person;

A visible sign or characteristic of disease;

A mark on or spot on the skin;

Be or remain fixed with its point embedded in.

A measure of spirits,
Find by investigation.

A physical change in the brain associated with a memory, a very small quantity.

A line or pattern corresponding to something which is being recorded or measured.

The sum of the elements in the principle diagonal of a square matrix.

A path or track!

Suggest as a desirable or necessary course of action; immeasurable.

A substance diffused or suspended in the air, a sudden feeling of faintness or nervousness or a state of depression.

Steam, heat begins!

Set fire to! Manage or managed to run. Work.

Engaged in, expressing or based on conjecture rather than knowledge; involving a high risk of loss.

Feeling embarrassed or guilty!

Century;

To cut,

Act dishonestly or unfairly in order to gain an advantage.

A discrete quantity of energy proportional in magnitude to a particular frequency of radiation and corresponding to a single photon or to a transition of an atom between energy states;

A square,

A complete transformation into more beautiful state.

A group of advisers or assistants accompanying, the art of effective or persuasive speaking and writing; language with a persuasive or impressive effect but often lacking sincerity or meaningful content.

Stern and incorruptible in judgement; shining brightly.

The first player dealt to:
Become or make more tender or loving, the belief that the world can be better by human effort.

A general rule or principle by something judged, a piece which the same melody is begun in different parts successively so that the imitations overlap.

The rule:
Burnt on fire!
Apply firm pressure against the surface of, using a repeated back and forth motion.

Alone!

Material that is considered unimportant
or valueless, nonsense; worthless talk
or ideas, in all ways or places,
considered the most sacred mantra.

Away and to windward!

A key on a keyboard which when pressed
simultaneously with another key, gives
the latter an alternative function.

XII

A microscopic single-celled fungus
capable of converting sugar into alcohol
and carbon dioxide, have an intense
feeling of loss and longing for
something, be filled with compassion or
warm feeling:
Eager!

Mild, merciful,
Love and respect deeply.
Choose to take up or follow formally
approve or accept.

Adonai!

To cast a shadow, come or bring to end:
Stop!

The death of most or all of the cells in
an organ or tissue due to disease,
injury, or failure of the blood supply.

A person with extreme racist or
authoritarian views,
Consecrated one,
Excessive or erotic interest in oneself
and one's physical appearance: Lacking
experience, wisdom or judgement,
deprived of the power of sensation.

Fields adjoining an arroyo!

Having or showing good judgement:
A cross-connection between adjacent
channels, tubes, fibres, or other parts of
a network,
Provide with a mouth,
To set up,
A native or inhabitant of Anatolia.

An imaginary line which divides
something in half, especially in the
direction of its greatest length.

A fixed reference line for the
measurement of coordinates.

Axle, pivot!

Each of the two points at which the axis
of a circle cuts the surface of a sphere.

Sky!

A person who is killed because of their
religious or other beliefs,
A person who displays or exaggerates
their suffering or to obtain sympathy or
admiration:
A witness.

Listen!

A mute character in traditional pantomime, masked and dressed in a diamond-patterned costume; the leader of a legendary troop of demon horsemen, having won battle or contest; victorious!

A framework consisting of a horizontal beam supported by two pairs of sloping legs, used in pairs to support a flat surface; threefold.

Formal and dignified!

Not cheerful; serious.

Deeply sincere, entire!

Make or shape by cutting or chopping a hard material.

Hermit!

Out of ordinary; unusual, not diminished, reduced or lessened.

A specified state of growth or advancement an event constituting a new stage in a changing situation; the practice of training people to obey rules or a code of behaviour; a branch of knowledge, especially one studied in higher education:

Not shining brightly or clearly, made difficult to see by darkness, shade or distance.

Existing apart from and not subject to the limitations of the material universe!

XIII

Concerned with something as it exist at one point in time.

The simultaneous occurrence of events with no discernible casual connection. A simultaneous action, development or occurrence.

A movement for transferring the ownership and control of the means of production and distribution to workers and unions:

Justice, together!

A system of gearwheels consisting of a central wheel around which other wheels.

Exposed to the heat of the sun!

Government by military forces; a cloud forming a low layer of clumped or broken grey masses.

The very highest levels of something; move away aimlessly from a group or from the right course or place.

Be unfaithful to a spouse or partner, not in the right place; separated from a group.

Having no home or having wandered away from home. Arising naturally but unwanted and usually detrimental.

The practice of feeding baby when it cries for a feed rather than at set of times,

A form of government in which people have a voice in the exercise of power, through elected representatives.

Control of a group by the majority of its members;

Power, rule!

Extremely bad or serious, having a great need or desire for something violent or dangerous.

Deprived of hope, tending to cause harm!

Wear away!

A mirage seen in the straits of Messina from the name of the legendary enchantress Morgan le Fay, sister of King Arthur.

The belief that all events are
predetermined and therefore inevitable.

An occurrence of death by accident, in
war or from disease;
Helplessness in the face of fate!

A secure place, well protected by
natural features.

The ability of dye to maintain its colour
without fading or wasting away.
Ascertain or establish by research or
calculation;
Specify the value, position or form
uniquely;
Completely terminate,
Delight,
Charm!

XIV

An extensive group of states ruled over
by a single monarch.

An oligarchy or a sovereign state.

A supreme political power.

A large commercial organization under
the control of one person or group.

In names of certain large, strikingly
marked butterflies!

Having retired but allowed to retain a
title as an honour. Respected;
distinguished.

Cry out!

Call out!

A series of chord changes forming the
underlying harmony of a piece of music,
A sequence of quantities whose
reciprocals are in arithmetical
progression,

A clay figure brought to life by magic:
A robot!

Shapeless, mass!

The creator of the universe,
The Supreme Being:
Requiring immediate action or attention,
Earnest and insistent!

Beyond reproach;
Near,
Leap in which the feet are brought
together before landing.
Put together!

A person who assembles component
parts,
A program converting instructions
written in symbolic code into a machine
code;

Murderer!

Another term of the emission of light by
a substance that has not been heated as
in fluorescence and phosphorescence.
Denoting a state, coming after all others
in time or order; final.

Time when one has permission to be
absent from work or duty,

The exertion of force by means of a
lever;

The power of influence, a rigid bar
resting on a pivot, used to move a load
with one end when pressure is applied to
the other.

A projecting arm or handle that is
moved to operate a mechanism;
To lift.

Used borrowed capital for expecting the profits made to be greater than the interest payable.

State a fact or belief confidently and forcefully, strange and odd.

Equality of value or standing, relevant to a subject under consideration.

Genuine, of the same parts!

To make successful:

Habitual,
Departure!

A person legally entitled to the property or rank of another person's death;

Correct in all details,

Capable or successful in reaching the intended target,

Noble.

The action of ascending in status;

To go up, climb or rise;

The fiftieth.

Speaking tongues;

Courage in the face of danger.

Be strong!

Lacking in quantity or quality:
The theory that numbers or other
abstract objects are objective, timeless
entities, independent of physical world
and of the symbols used to represent
them.

XV

Apparently reasonable or probable
without necessarily being so, Deserving
applause;

The acceleration of a chemical reaction
by a catalyst.

Dissolve!

A substance that increases the rate of
chemical reaction without itself
undergoing any permanent chemical
change on the pattern of analyst, feeling
or showing disapproval of anything
improper, stiffly correct.

Pure into a prim expression, excellent,
delicate, the first!

Begin or introduce of or relating to the
sense of hearing, a corona around The
Sun or The Moon.

The gold!

A person or thing set up as an easy target for criticism, a sudden uncontrollable fear or anxiety.
A leopard especially a black one!

All the gods of a religion collectively.
The Creator and Supreme Being, divine status or quality or nature, make into worship as a god.
Characterized by the practice of severe self-discipline.
Make great efforts, angry or bitter disagreement;
Conflict!

The care, cultivation and breeding of crops and animals,
Management and conservation of resources,
The release of an offender from detention,
Subject to a period of good behaviour under supervision.

The process of testing the character or abilities of a person in a certain role, demonstrate by the evidence or argument the truth or existence of.

Abstaining from marriage and sexual
relations for religious reasons,
To watch, guard,
Bend on the knee,
Calf of the leg,
Something which emanates or is
produced from a source,
To flow out!

Having intense, vivid colour or swirling
abstract pattern.

The view that a person's duty and
responsibility is to achieve success
through hard work and thrift;
A feeling of happiness!

A person who seeks to convert others to
the Christian faith, especially by public
preaching;
A zealous advocate of something!
A figure of speech in which a word
applies to two others in different
senses.

A wooden crosspiece that is fastened
over the necks of two animals and
attached to a plough or cart that
they pull in unison.

A thin straight bar!

A club, a mischievous child, have an affect. Having or showing too great a readiness to believe things.

A system of exercises using the special apparatus designed to improve physical strength, flexibility and enhance mental awareness; Carried by the thing specified!

Existing as a result of birth, having a natural ability to do a particular job or task.

Cover with a hard crust!

Characterized by the practise of severe self-discipline.

A monk to exercise, persistently harass or annoy.

A world view underlying the theories and methodology of a scientific subject.

Show side by side!

A simple story used to illustrate a moral or spiritual lesson:

A person who makes shoes and other footwear as a profession,

May it be so,

Devoutly religious,

Making a hypocritical display of virtue.

Follow with hostility,
Continue in a course of action in spite
of difficulty or with little or no
success.

Very strict!

State that will happen in the future!

Beforehand say!

Declare!

Never ending or changing,
Denoting and having a position or
trophy held for life rather than a
limited period.

Continuing, throughout,

Receive what one deserves.

Requiring or having great strength or
effort,

A position of leadership.

Manage the running up,

From here,

Invoke or pronounce,

A curse upon,

The protective care or guardianship of
the earliest ancestors of people.

Anticipate!

Before take,

A part of a deceased holy person's body
or belongings kept as an object of
reverence,

Remains.

An idea or opinion produced by thinking
or occurring suddenly in the mind.

An act of considering or remembering!

The part of the body of a mammal
between the neck and the abdomen,
including the cavity enclosed by the
ribs, breastbone and dorsal vertebrae.

Thorium dioxide, a white refractory
solid used in making gas mantles and
other materials for high temperature
applications.

A stiff, sharp-pointed woody projection
on the stem or other part of a plant,
A woman's genitals,
Hidden.

God as father! The Holy Grail!

Existing in the something as a
permanent or essential attribute.

Pure belonging to;
A cup!

XVI

Difficult to find catch or achieve, out
away from the play.

A social theory favouring of action for
individuals over collective or state
control.

Self-centred feeling or conduct:

Egoism!

Never ending; incapable of being used
up;

Tireless!

The moral principles governing or
influencing conduct, spoken falteringly
and with many mistakes as by a
foreigner:

A chord in which the notes are played
successively.

Something given or occurring in
generous amounts:

Good!

The quality of a sound governed by the
rate of vibrations producing it.

The degree of highness or lowness of a
tone.

A section of a climb.

A form of words used to persuade or influence;

A swaying or oscillation of a ship, aircraft or vehicle around a horizontal axis perpendicular to the direction of motion with free rhythm and expression as much as desired.

An opponent!

A small dark falcon that hunts small birds,
Serving as a sign of indication,
To point out,
Denoting something in early stage of development.

Lower in rank, status or quality,
A feeling of general inadequacy caused by actual or supposed inferiority, marked by aggressive behaviour or withdrawal.

A heavy iron block on which metal can be hammered and shaped.

Not composed of matter, having no material existence.

Take in or include as part of a whole, not able to be denied or disputed.
A small anvil-shaped bone in the middle ear, transmitting vibrations between malleus and stapes.

The speed of something in a given direction.

Any of the tubes forming part of the circulation system by which blood is conveyed from all parts of the body towards the heart.

A roof in the form of an arch or a series of arches, a secure room in a bank in which valuables are stored.

To roll:

The increase in the volume of fuel on combustion in the cylinder of an engine or the piston stroke in which this occurs, make or become larger or extensive, strikingly colourful and unusual.

Conspicuously display on, celebrate or extol publicly, a symbol or symbolic representation of.

Give a tangible part or visible form to.

Include or contain a constituent part.

Fix or become fixed firmly and deeply in the surrounding mass.

Raise!

An unborn or unhatched off spring in
the process of development,
Unprincipled,
Near,
Make known to humans by divine or
supernatural means.

Rise up in rebellion!

A person who has returned especially
supposedly from the dead,
Invisible,
An ascetic who was achieved
enlightenment.

A position of the left or right of an
object place or central point, either of
the two halves of something regarded as
divided by imaginary central line; the
time between consecutive meridional
transits of the first point of Aries,
almost four minutes shorter than the
solar day.

A star,
Surround with armed forces in order to
capture it or force to surrender,
Surround and attack from all sides,
In addition to,
Apart from,
A groove holding the crystal of a watch
or the stone of a gem in its setting!

A small radio device which beeps or vibrates to inform the wearer that someone wishes to contact them or that it has received a short message:

Bilaterally symmetrical,
Feathered, winged!

A dense layer of vascular connective tissue enveloping the bones except at the surfaces of the joints.

The nervous system outside the brain and spinal cord,
Occurring or performed at or around the time of an operation,
Allowing or characterized by freedom of behaviour.

A salt containing the anion MnO_4^-
deep purplish-red and with strong oxidizing properties.

A way especially one of several possible variations in which a set of number of things can be ordered or arranged;
Change completely.

A person of a specified kind or having a specified role: a keeper.

Chooser of the slain!

A change in the magnitude of a property observed in passing from one point or moment to another.

Conquer!

Positioned in or relating to the sky or outer space,
Come or bring to end,
Stop,
The stress at which a specific amount of plastic deformation is produced.

A rhombus or diamond shape, a charge in the shape of a solid diamond,
A large water lily now or formerly regarded as sacred,
A legendary plant whose fruit induces a dreamy forgetfulness and an unwillingness to leave,
A person given to indulgence in pleasure and luxury,
A warning sensation experienced before an attack of epilepsy or migraine.

XVII

Respect for all living things and
avoidance of violence towards others,
dismiss from one's mind.

Walk in a specified way,
Walk or on alone!
Press down or crush with feet,
Offend someone by encroaching on their
area of responsibility:
Obsessive egoism!

A person who is actively opposed or
hostile to someone or something,
Not friend.

In to a crust,
By or in itself or themselves,
Very deep,
Send someone or something without
warning into a particular state or
condition.
Cause to move rapidly.

Transfer or delegate power to a lower
level, especially from central
government to local or regional
administration.

Intense enjoyment, interest or approval,
religious fervour supposedly resulting
from divine inspiration an argument in
which
one premise is not explicitly stated.

Consider,
Wind or twist together,
The surroundings or conditions in which
a person, animal or plant lives or
operates.

The natural world, especially as
affected by human activity, fill until no
more can be held or absorbed.

Be wise!

A place of refuge or safety,
A nature reserve,
Holy of holies!
A young slender tree,
A shallow place in a river or stream that
can be crossed on foot or in vehicle,
A part of the trunk or a large branch of
a tree that has fallen or been cut off.

Any solid consisting of symmetrical
ordered,
Three dimensional aggregation of
atoms and molecules,
Clear and transparent,
To desire,
Come to think.
Happen,
In good time; early!

A division between strongly opposed parties caused by differences in opinion or belief break or caused to break forcibly into parts, cause the fission of atom.

A storm or rock break up a ship.

A colourless liquid hydro-carbon, obtained from coal tar and used in synthetic resins, not in accordance with the law or accepted standards.

Blasphemous or obscene!

Put pressure on to act in a certain way.

An extensive and destructive fire;
To blow!

Cry out!

Call out!

Say, tell:
Die, especially in large numbers.
Suffer complete ruin or destruction.

Pass away,
Cruelty and savageness,
Crush, injure or damage with a blow.

A thought or suggestion as to a possible
course of action:

To see!

Most suitable; perfect,

Adore, revere.

A flowerless vascular plant which has
feathery or leafy fronds and reproduces
by spores released from undersides of
the fronds;

A thing designed to catch people's
attention,

An added stroke transnote,

Place or lay over another so that both
are evident.

A disc!

We command,

As a consequence,

An unstable lepton with charge of -1
and a mass 3500 times that of the
electron,

A small hammer with which a judge to
call for attention or order!

Be careful!

Careful not to harm or inconvenience
others.

Mark with a seal!
An ancient Greek or Roman herald's
wand,
With two serpents twined round it,
Carried by the messenger god:
Hermes
Or
Mercury!

In Hoc Signo Vinces!

Evidence establishing a fact or the truth
of a statement, a word, letter or number
placed before another.
An element placed at the beginning of a
word to adjust or qualify its meaning.

Before to fix!

A person employed to wash the dishes
and carry out other menial tasks in a
restaurant or hotel,
A person with a highly developed
intellect,
Overwhelm with things to be dealt with.
An overflow of a large amount of water
over dry land,
Supply water to by means of channels.
Apply a flow water or medication to,
Wish well!

Serving a charitable rather than a profit-making purpose, compensate for the faults or bad aspects of.

Buy the freedom of, done with great difficulty.

A songbird with brown streaky plumage elongated hind claws and a song that is delivered on the wing.

The solving problems by an indirect and creative approach, scope for freedom of action or thought.

A fine bread!

A movable joint or mechanism by which a door, gate or lid opens and closes or which connects linked objects;
Shining brightly!

XVIII

Open out so as to increase in surface area width or length, stretch out so that they are far apart, any of the muscular-walled tubes forming part of the circulation system by which blood is conveyed from the heart to all parts of the body.

Raise!

A series of vertebrae extending from the skull to the small of the back, enclosing the spinal cord and providing support for the thorax and abdomen ; the backbone. A central feature or main source of strength.

Sulphuric acid,
Absolutely necessary, essential,
Indispensable to the continuance of life,
full of energy; lively!

Put something on top of or in front of in order to protect or conceal it.

Deal with!

Having an outline or surface curved like
the exterior of a circle or sphere,
transport or carry to a place
communicate.

A connection for the passage of an
electric current from one thing to
another,
Any of the world's main continuous
expanses of land;
Europe, Asia, Africa, North and South
America, Australia, Antarctica,
With movement!

A large open area enclosed by a fence,
around a factory or within a prison.

A narrow passage leading from the
pharynx to the cavity of the middle ear,
permitting equalization of pressure on
each side of the eardrum.

A small village without a church;
Home!

Come between so as to prevent or alter
something, the difference in pitch
between two sounds,

Impress, inmost,
In a suitable state for an activity or
situation;
A cause, explanation or justification,
A premise of an argument in support of
a belief,
Especially a minor premise given after
the conclusion.

The power of the mind to think,
understand and form judgements
logically;
Return to a normal state of health, mind
or strength,
Find or regain possession of,
Get again!

Save from sin, error or evil, from a
place or source previously mentioned.

A flexible but inelastic cord of strong
fibrous tissue attaching a muscle to a
bone,
An interval or chord spanning an octave
and a third in a diatonic scale,
Or a note separated from another by this
interval;
A principle or belief,
A spherical object or shape,
A celestial body,
Cause to continue indefinitely,
Defeat thoroughly!

A dealer in the books,
A favour or request,
In a vacuum!
Grand and impressive,
Fly unsteadily by flapping the wings
quickly and lightly.

A small part broken off or detached,
Still in existence,
A claw, especially one belonging to a
bird of pray,
Showing in section and S-shaped curve!

Say, tell:
A thing believed to be real but existing
only in the imagination,
A period of staying awake during the
time usually spent asleep especially to
keep watch or pray.

A member of a people living in
mountains of South East Asia:
Hmong,
Arrange in an orderly systematic
manner:
That is solely or no more or better than
what is specified,
Compassion or forgiveness shown
towards an enemy or offender in one's
power.

A woman's breast or chest,
A person's loving, care or protection,
A subatomic particle such as a photon,
which has zero or integral spin,
A ceremonial act of washing parts of the
body or sacred containers,
Cause to feel happy and satisfied.

Fall or move suddenly and
uncontrollably,
Accept or act in accordance with,
Live; dwell!

The twentieth letter of the Greek
alphabet, showing no prejudice;
impartial!

A console where sound signals are
mixed, characterized by or appealing to
an abnormal and unhealthy interest in
unpleasant subjects, make fast by
attaching it by cable or rope to the
shore or to an anchor, a very small vein,
especially one collecting blood from
capillaries.

A planet of the solar system, second in
the order from the Sun and the brightest
object in the sky after The Sun and
Moon;
A risky or daring journey or
undertaking!

Write or name the letters that form in a correct sequence.

Be a sign of; lead to!

A whip used as instrument of punishment.

Et al!

Be favourably disposed towards or willing to do,
A small insect eating bat,
Put an end to,
Subdue or surpress,
A person who makes laws,
A member of legislative body.

Very old or long past,
The doctrine of the Dutch philosopher,
Baruch De Spinoza, regarding;
God or nature, as a single infinite substance,
With mind and matter,
Being two incommensurable ways of conceiving the one reality.

Stabbed!

XIX

A decrease!

A literary and cinematic genre in which real events are used as a basis for a fictional narrative or dramatization; formed by the electrostatic attraction of oppositely charged ions.

A device which produces ions, especially one used to improve the quality of the air in a room; convert an atom molecule or substance into an ion or ions by removing one or more electrons.

The layer of the atmosphere above the mesosphere which contains high concentrations of ions and electrons and is able to reflect radio waves, belonging naturally essential; a true principle or belief especially one of fundamental importance without moral scruples.

Dig or excavate beneath so as so to make it collapse!

Wicked or criminal,
A former oath taken by those medical
practise affirming their obligations and
proper conduct, parts of which are still
used in some medical schools;
an untidy collection of objects piled up
haphazardly, make a hole in or through
with a sharp pointed object.

Impossible to deny or disprove,
A system of religious belief;
A faith!

Take in the hand,
A surprising or remarkable thing,
Cause to allow or to be seen;
In the broad!

A device or substance used to join two
things together or render something
impervious.
A person who sees something specified,
A banished person.

Pass through.

An Australian aboriginal dance
ceremony in the form of a sacred ritual
or informal gathering,
an illogical or surprising lack of
compatibility or similarity between two
or more facts.

Experienced or skilled in knowledgeable
about, be engaged in,
The rise of an arch of a bridge.

Restore to a former state,
Start again!

The remaining part of something:
The opportunity or ability to act
independently and take decisions
without authorization.

An answer or reaction!

A place where or receptacle in which
things are stored,
A place where something is found in
significant quantities,
A state of restfulness or tranquillity,
To pause.

Hidden, put away!

A particular or characteristic mode of
expression,
Great energy or enthusiasms for a cause
or objective;
Being jealous,
Partial or total darkness!

A systematically organized body of knowledge,
A roll of parchment or paper for writing or painting on,
A plant which lives inside of a plant,
A pulse of very short duration,
A flower cluster formed of many flower heads attached directly to a long stem.

The period during which someone or something is predominant or pre-eminent,

A bone of forearm or forelimb in humans the thinner and longer of the two,

A period of 19 years and 235 lunar months after which the new and full moons return the same day of the year.

A curved, pointed horny nail on each digit of the birds, lizards, and some mammals;

Send forth,

A protective garment covering the front of one's clothes and tied at the back,

An endless conveyor made of overlapping plates.

From what is before.

The furthest or most extreme part of something;
Suspend or to be suspended from above with the lower part not attached.

Striking and imposing rather than conventionally pretty,
A hard green stone consisting of the minerals jadeite or nephrite,
Stone of the flank!

An opaque reddish-brown variety of chalcedony,
A compound extracted from oak galls and some fruits and nuts, able to retard the growth of cancer cells to some extent;
A member of a Turkic people of North West China;
A person or thing providing reliable support,
A task required as part of one's job, Expected at, planned for or required by a certain time,
At a point where something is owed or merited.

A person dislikes humankind,
Use for the wrong purpose or in the
wrong way,
Cause to have a wrong impression about.

The principles or standards of
behaviour,
The relative duration of the sound
signified by a note,
Of uncertain or indefinite character or
meaning,
Out of debt!

XX

The ratio of the magnetization produces
in material to the magnetizing force,
Strengthen or support physically or
mentally,
Keep going over time continuously.

Suffer!

The period between the creating and the
end of the world,
Reckoned as 4320 million human years,
And considered as the day of Brahma.

A square building in Mecca,
The site most holly to Muslims,
Containing a sacred black stone,
Cover with a coping.
A Muslim student of sacred law and
theology,
A former title for the ruler of Persia
associated with Safavid dynasty,
Pure of religion,
The highest singing voice,
Extremely; severely!

Standing on its hind legs with the
forepaws raised,
As if leaping.

Sodium chloride, a white crystalline substance which gives seawater its characteristic taste and is used for seasoning or preserving food;
Something which adds freshness or piquancy, a varying unit of weight or liquid measure.

The smallest unit of weight in the troy and avoirdupois systems, equal to $1/5760$ of a pound avoirdupois, approximately 0,0648 grams.

A system of millions or billions of stars,
Together with gas and dust,
Held together by,
Gravitational attraction.

A break or hole in an object or between two objects,
A space interval,
Not subject to any limitation of power,
Shorten without losing the sense.

The beginning and the end,
Clean by brushing away dirt or litter.

Search or survey;
Cause to be made or done,
Have or hold within,
The principle of reason and judgement.

The word of God or principle of divine
reason and creative order, identified
with the second person of the trinity
incarnate in Jesus Christ.

The life instinct,
The death instinct,
Something hoped for but,
Illusory or impossible to achieve!

An integument or membrane enclosing or
lining an organ or part,
Any of the concentric layers of a plant
bulb,
A covered passage with arches along one
or both sides,
Ancient,
Encircle or secure with, a belt or band,
Having a level surface;
Without raised areas or indentations.

Let it be done!
A person of a specified spelling ability,
Strike, kill,
People claiming to possess special
enlightenment or knowledge,
A means of lighting or source of light.

A token of something:
A red or violet dye obtain from lichen,
Used as a source of litmus.

A person subject to mystical
experiences;
A member of a college ;
The combination of qualities expected
of an ideal knight,
Especially courage, honour, courtesy,
justice,
And a readiness to help the weak;
The medieval forerunner of chemistry,
Concerned particularly with attempts to
convert base metals into gold,
Or to find universal elixir;
Each of the centres of spiritual power in
the human body,
Usually considered to be seven in
number.

Equivalent to the sum of three and four;
One more than six,
Or three less than ten:
7.

An interval spanning seven consecutive notes in a diatonic scale,
The note which is higher by this interval than the tonic of a diatonic scale or root of a chord,
A chord in which the seventh note of the scale forms an important component,
Relating to or involving a conjunction,
A whole formed by combining several disparate elements.

Lamb of God!

A person highly educated or has an aptitude for study,
Having or showing sharp powers of judgement; astute.

To curse:

Evil in nature or character,
An immortal act considered to be transgression against divine law.

The placenta and fetal membranes discharged from the womb after a birth,
A remarkable thing making sudden appearance,

A container in which incense is burnt,
Hell.

Done or acting at random or without careful judgement,

A favour or request!

XXI

Cause to break or burst suddenly,
Breach or disturb a harmonious
situation,

One of two types of light-sensitive cell
present in the retina of the eye,
Responsible mainly for monochrome
vision of light,

Make someone or something free of,
Sit on and control the movement,
Material wealth!

Bend the head or upper body as a sign
of respect, greeting or shame:
Good!

The outer defence of a city or castle,
Especially a double tower above a gate
or draw-bridge;
An even distribution of weight ensuring
stability.

A condition of which different elements
are equal or in correct proportions,
The ability of a boat to stay on course
without adjustment of the rudder,
Having two scale pans!

A young person eager for radical change
to the established order,
Perform duties or services for,
A slave;
A tooth or point of a serrated edge or
surface!

A part of a bridge between piers or
supports,
The length of time for which something
lasts.

A formal speech giving advice or a
warning,
The use of symbols to denote
propositions, terms and relations in
order to assist reasoning,
The subject in a course of study or
teaching,
The branch of biology concerned with
the structure of plant and animal cells;
A large subphylum of arthropods which
possess chelicerae comprising,
Arachnids, sea spiders and horseshoe
crabs;
Claw horn!
Speak to!
The hard outer case enclosing this,
Surround and have or hold within:
A period of seven days' formal mourning
for the dead,
Beginning immediately after the funeral.

Seven!

Be bright with the expressing of
emotion.

A person's manner of walking,
A device used to select radiation of a
single wavelength or energy,
Of this earthly world rather than a
heavenly or spiritual one.

Eat steadily and audibly!

Fret impatiently!

A member of an international order
established for mutual help and
fellowship, which holds elaborate secret
ceremonies;

A person who is not a slave or serf;
Become suddenly motionless or
paralysed with fear or shock.
Living freely and independently, not as
a parasite or attached to a substrate.

Strontium oxide, a white solid
resembling quicklime,
Be in or rise to an upright position.

A building where the dead are cremated,
Our affair.

A chord that is pleasing or satisfactory
itself,
A growth of long hair on the neck of a
horse, lion or a man,
Cause to become of tune.

Look at and comprehend the meaning of
by interpreting the characters,
Or symbols of which composed.

Once more:

Take in,
Use up,
Reduce the effect or intensity of.

See or observe:

A state of great trouble or suffering,
The rise and fall of the voice of
speaking.

Happen or occur afterwards or as a
result; a woody shrub with a bitter
aromatic taste, used as ingredient of
vermouth and absinthe, and in medicine.
Bitterness or grief,
Or a source of this!

Go dawn below!
The surface of liquid,
Greatly impress or amuse,

To cut:
The state of things as they actually
exist,
As opposed to an idealistic or motional,
idea of them.

Constant and unending!

Europe, Asia, and Africa, regarded
collectively as the part of the world,
known before the discovery of the
Americas.

The state being forgotten!

The state of being unaware of what is
happening around one!

Employing a cautiously persistent and
dilatatory strategy to wear out an enemy!

A round dark spot on a potato from
which a new shoot can grow.

A society or political system founded on
the principles of a state of disorder due
to lack of control.

The belief in the abolition of all government and the organization of society on a voluntary, cooperative basis.

He went that way!

XXII

Comparable in certain respects
performing a similar function but having
a different evolutionary origin, such as
wings of insects and birds.

The doctrine that baptism should only
be administered to believing adults,
held by Protestant sect of the 16th
century.

A person who ascends,
Living in or suited for both land and
water,

A model,
Characterized by the severe-self
discipline,

Catch in or as in a trap,

A very heavy fall of rain,

An idiosyncratic belief or impression
that is not in accordance

With a generally accepted reality.

A stocky short-tailed songbird
frequenting fast-flowing streams,
And able to dive or walk underwater to
feed.

Of or relating to the time of any three
kings of England,

Richard I, II or III,

An early riser,

Harvest the crop from,

Full matured.

The tenth letter of the Greek alphabet;
The sum of a person's actions in this
and previous states of existence,
Viewed as affecting their future fate.
A small container used especially for
holding liquid medicines.

Extreme anger!

In Catholic doctrine, a place or state of
suffering inhabited by the souls of
sinners, who are expiating their sins
before going to heaven;
A prostitute or promiscuous woman,
A cause of disgust or hatred,
Insert a book especially to give a false
impression as to its date;
Insert an intermediate term into a series
by estimating or calculating it
from surrounding known values.
Regard with great respect,
Mother!
A tall cedar with drooping branches
native to Himalayas.

A companion or adviser to a king or
queen;
A large butterfly the male of which is
bright yellow and the female greenish-
white.

An ancient test of guilt or innocence by
subjection of the accused to severe
pain, survival of which was taken as
divine proof of innocence.

Share out,
No matter what!

A map formed by the projection of a
sphere,
Especially a star map that can be
adjusted to show,
The constellations at the specific time
and place.

A three dimensional shape having twelve
plan faces,
In particular a regular solid figure with
twelve equal pentagonal faces,
Avoid by a sudden quick movement.

The soft glowing light from the sky
when the sun is below the horizon,
Caused by the reflection of The Sun's
rays from the atmosphere;
A state of partial narcosis or stupor
without total loss of consciousness,
In particular a state induced by
injection of morphine and scopolamine;
The lowest level of the ocean to which
light can penetrate.

Come to understand or realize
something!

Denoting a system of musical
composition using the twelve chromatic
notes of the octave,
On a equal basis without dependence on
a key system,
A technique central to serialism.

Equivalent to the product of three and
four;
Two more than ten;
12.

Left over:
Equivalent to the sum of six and five;
One more than ten;
11.

Left over:
Equivalent to the product of five and
two;
One more than nine;
10.

Denoting an excellent performance,
Express great pride or triumph.

Be humiliated by having to admit one's
defeats or mistakes.

XXIII

An ambassador or messenger,
Play well.
Skilful use of one's hands when
performing conjuring tricks.

Further more,
Distant,
A brilliant deep blue pigment originally
obtained from lapis lazuli,
And now made from powdered fired
clay, sodium carbonate, sulphur and
resin.
The essential nature of a thing regarded
as an abstract ideal which real things,
imitate or participate in.

Promote the development of,
Bring up the child,
That is not one's own by birth.

Lord!

A complete electric light unit,
A literary institution, lecture hall or
teaching place;
Of a group kill for an alleged offence
without a legal trial.

A period in ancient Greece from the end
of the Bronze Age until the historical
period, in which there was no building
and the writing was apparently lost;
An opportunity of seeing a holy person
or the image of deity!

The theory of the evolution of species
by natural selection advanced by the
English natural historian
Charles Darwin,
Exist,
Grim and ironical humour in a desperate
or hopeless situation;
Cause to become discerning and aware
of complex issues through education or
experience,
Develop into more complex form,
On or towards the left hand side.

A planet of the solar system, sixth in
the order from the sun,
And circled by broad flat rings.

Lead!

Stibium, the chemical element antimony,
a dry, rough protective crust that forms
over a cut or wound during healing.

Appreciate and enjoy the taste of;
A white unreactive solid which occurs
naturally as the mineral rutile,
And is used as a white pigment;
Become or cause to become in need of
rest or sleep.

An incident involvement daring and
adventure;
Drive out a supposed evil spirit from a
person or place.

Begin,
Free from burden!

Of tin with a valency of four;
Of tin IV.

Winding in a continuous and gradually
widening or tightening curve around a
central point or axis, a curve in a graph
of temperature and composition of a
mixture, below which the substance is
entirely solid.

Burn slowly with smoke but no flame!

Spirit, mind,
A negatively charged ion,
Give rise to,
The Great Kingdom,
A long lasting and difficult task!

Macedonian Empire of
Alexander the Great,
Loosening!

Engage in plots and intrigues scheme,
An efficient and well-organized group
of powerful people,
Be cautious and alert to risks and
dangers,
Surround with armed forces in order to
capture it or force its surrender.

Take aggressive action against,
Join battle.

A theoretical approach that regards
something as interpretable,
through analysis into distinct, separable
and independent elementary components;
Provide or serve as clear evidence of,
To witness!

An annual religious celebration, a day
dedicated to a particular saint,
The day of Saturn.

A device used to restrain the flow of a
fluid,
Gas or to prevent the spreading of sound
or light,
In a particular direction!

Notify:

An interaction between two different organisms living in close physical association,

Especially to the advantage of both.

Existing and occurring in the same time,

Having the same meaning as another word or phrase in same language,

As being new, greater knowledge and understanding to,

A mysterious or puzzling person or thing,

Towards,

Able to adapt or be adapted to many different functions or activities.

Platinum in the form of a finely divided black powder.

Used as a catalyst and absorbent for gases;

The theory that numbers or other abstract objects are objective, timeless entities,

Independent of the physical world and the symbols used to represent them;

Pearls of wisdom!

XXIV

The power of apparently influencing the
course of events by using,
Mysterious or supernatural forces;
A gentle sheen or soft glow,
Illuminate.

A woman pregnant for the first time;
A great circle in the celestial sphere
passing through the zenith,
and the East and the West points of
horizon.

Primordial soup,
A natural appendage or outgrow on or in
an organism,
To advance,
On behalf of,
Do, make,
First point of Aries.

Incline in a certain direction of a
circular target,
Next to the outer one or a shot which
strikes it,
Each of the four cardinal points of a
chart.

The ancient one,
Enemy ancestor,
Able to use the right and left hands
equally well.

A crystalline acid with strong oxidizing
properties,
Made by oxidation of iodine.

Ipsissima verba!

A postage stamp printed with an error
such all part of its design is upside
down,
Furthest in,
Closest to centre,
Most private and deeply felt;
The promised deliverer of the Jewish
nation prophesied in the Hebrew Bible,
A person who carries a message,
Of or relating to,
The Frankish dynasty reigning in Gaul
and Germany c.500-750
Capture the whole attention of,
Fascinate or transfix.

A quantized property of quarks with
values,
Designated up, down, charmed strange
top and bottom.

A flake on snow,
An achievement requiring great courage,
skill or strength.

An astrological age which is about the
begin,
Marked by the precession of the vernal
equinox into Aquarius,
Believed to herald worldwide peace and
harmony;
Come into sight.
The action of forgiving or being
forgiven for an error or offence,
Prevent someone or something from
harming or effecting one,
Of or at fairly or comfortably high
temperature.

A builder or worker in stone,
Pretend to be someone that one is not.
Careful not to harm or inconvenience
others!
An ion or molecule in which one or
more groups,
Are linked to a metal atom by
coordinate bounds;
The general aspect or character of
something,
State or promise solemnly or on oath.

The condition of being human,
Denoting extreme enthusiasms or
admiration,
To work!

Sion!

The six letter of the Greek alphabet,
Irresolute; weak!

The opinion generally held of someone
or something,
A formal expression of disapproval;
Either of the two planets Mercury and
Venus,
Whose orbits are closer to the Sun than
Earth's.

Originated in the mind!

In to be born,
In his or her own person,
Related,
Inclusive of everything,
Declare on oath!

A small wave in which the dominant
force is surface tension rather than
gravity.
A person or thing competing with
another for superiority or the same
objective,
With biblical allusion to Jacob's dream
of a ladder reaching to heaven;
A hormone-secreting structure that
develops in an ovary after an ovum has
been discharged,
But degenerates after a few days unless
pregnancy has begun.

A theory of cognition which regards the
brain as a massive,
Interactive network with multiple
connections between nodes;
