## Before the Purgatory:

*Francis was born in Memphis, United States by Azerbajain immigrants. Not much is known about his childhood, After testing scored his IQ at 167, he skipped the sixth grade. He later described this as a pivotal event: previously he had socialized with his peers, but after skipping ahead of them he felt he did not fit in with the older children, who bullied him.*
*Francis was ahead of his classmates academically. Placed in a more advanced mathematics class, he soon mastered the material and was a member of the mathematics, biology, chess, and German clubs. Francis later started marine biology in college, later he became a marine-biology teacher there for three years in Memphis.*

*Francis never smoked nor drinked alchol and had a distaint for technology as he stated that the advance of social media and cosumerism will decay humanity in the long run, he specially hated big cities like California and New York for their ''brainwashed'' cosumerism, He lated picked Ney York City as a target for a bombing he has planned, he brought the plane ticked and a disguise, along with a backpack with a pressure cooker bombs.*

*Francis committed the Yankees Stadium bombing on Junary 3, 2017 who killed 6 and injured 264. Shortly after he tried to fleed the scene and try to carjack but was caught by police, Francis oppened fired on the officers, these both returned fire. After a 7 minute long shootout Francis was deadly wounded and died doe to a cardiac arrest in the Yankees Parking lot. He was assigned to the Pripyat Purgatory and arrived at the town where he lives now.*

## *Appearance:*

*Francis is a Light skinned man of tall height, brown short hair and thick beard, with dark brown eyes.*

*He wears a gray jacket with a Shemagh scarf, light dark jeans and white sneakers. For his desguise he used a NY Cap, black shades and an American flag-themed scarf*

## Personality:

Francis is very optimistic and youthful, a very weird personality comming from a lone-wolf Terrorist, He seem to enjoy jokes and cartoons, and has a love for American culture.

He hates technology advancement and everything social media related, he uses a nokia instead of a smart phone and likes to interact via letters rather than E-mail, his Apartment seemed to be remodeled by him so he could live a simple life with little money and almost no furniture.
