Before the Purgatory:

Gabriel was born in Alicante, Spain where he grows up and worked at a packing factory. Gabriel always dreamed of becoming part of the Spanish Legion "Legionarios" (a branch of the Spaniard Army) and he dedicated himself to train and study to join the army, His application was denied after a medical exam revealed his Hypertension. At some point during this time, Gabe's brother was hospitalized after being assaulted in the metro by a group of thugs in an apparent homophobic hate crime, this incident marked Gabe as he deeply resented not being there for him

He kept filling applications to join different branches (Marinos, Policia Nacional, GEO) but it was no use, he dedicated himself to keep studying Weapon maintenance and spending time in local Hunting and Shooting sports.
Gabriel is also a fierce Spaniard nationalist, being influenced by his Carlist family. He despises every other ideology that threatens the peace of what he sees as a perfect nation such as communism, fascism, capitalism, and liberalism, He often states that a true utopia can only be achieved by Traditional Catholicism.

In March 2015 Gabriel was hunting alone at Monte Orgegia and suffered a Hunting accident when his Rifle exploded on his chest, because of a blocked barrel resulting from an earlier squib load, he died shortly after. He was assigned to the Pripyat Purgatory and arrived at the town where he lives now.

Appearance:

Gabriel is a white man with a muscular build, Light brown "high and tight" haircut, and bandholz beard.

He wears a bluish-green T-shirt, clear beige cargo pants, white sneakers, and a Spanish-themed belt with suspenders. He also wears a pair of yellow-tinted sports eyewear and a "Cross of Burgundy" Tattoo on the right shoulder that says "Dios, Patria y Rey" (God, King, and Fatherland)

Personality:

Gabriel is a very stern and mostly reserved man, He often comes off as cold, apathetic, and impatient and has zero tolerance for foolishness.

While he seems to be antipathic, Gabriel is very conscious about the struggles of hate and even sides with Anita against Katya.

Relationships:

Anita

Gabriel shows little interest in being close friends with Anita, still, they both bond over some of the same ideas, He considers her one of the few people he's willing to hang out with.
