La Turca

Gabriela Guzman-Montoya or 'La Turca' is one of the residents of the Pripyat Purgatory, She's a Mexican-Hondurian Tatto artist who resides at the Urban Area #3.

Turca is brutally honest, unfriendly and a nasty person most of the time. She's great at drawing and always carries a sketch book where she draws at the coffee shop. She also has a passion about mechanics, being chopper bikes her speciality. Turca can be violent if pushed far, not scared on standing up against everyone, specially Police officers
