Profile

Martin

Martin Thiedemann is one of the residents of the Pripyat Purgatory, He was a Web developer and WWII Collector that resides at the Northern apartment complex.

Martin is an Army-obsessed man, despite being rejected by the german army for his motion sickness, he embraces the lifestyle of a military man. Martin can be tough, but he is also very sensitive and not afraid to cry about minor disconforts. He's also a WWII collector who had over 2000 war memorbilia on his possesion, these includid a Nazi SS hat that he never takes off
