Profile

Molly Tautou

Molly is one of the residents of the Pripyat Purgatory, She's a Belgium-French Hippie that died electrocuted and ended up in the Pripyat purgatory, She resides at the Southern apartment complex.

Molly is a nature-loving vegan with a chill attitude, She is a serene person but any perceived injustice against nature will send her into an emotional tizzy. She seems to enjoy old school reggae music and Stoner rock, It is practically imposible to hold a conversation with her because of her slow speaking and delayed reaction, this is a sequela of her death (and the constant use of drugs). In Pripyatory she has a criminal record for loitering and indecent exposure.
