Sgt. Derek Pickman

Sgt. Pickman is one of the residents of the Pripyat Purgatory, He's an Texas Policeman who serves as an sergeant of the Pripyat police department.

Pickman is quite silent and by far, the most intelligent and competent officer of the Pripyat Police. He's a workaholic who takes pride on his job and constatly clashes with Krueger about her leadership, being resented he's not the one on charge. Pickman also shows bits of racism and sexism, he's a regular smoker
