

SO. COUNCIL - Still no news because no one gives me any. Guess we aren't doing anything.

BAKERSFIELD - I guess Martha & Luke will let me out of the doghouse if I say I forgot to mention last time that they had been initiated. O.K. Am I out? The Sabbat went as beautifully as always. Amy & Michael conducted the Pagan Way ritual (the most complicated the P.W.'s have here) and they did it very well. Bobbie & I did the Craft ritual. Dean sent a photo but only the beard was recognizable...too washed out with light.

BAY AREA - Cathy was the only one to arrive from there for the Sabbat...almost forgot Robert got here, too. Pixie unable to get off, Joan having transportation problems.

LAKEWOOD - Peggy Ellen planning to visit the L.A. coven when Georgia & Jay return.

L.A. AREA - Gwen keeping the P.W. & the coven going while Georgia & Jay are in the east. Had a nice letter from them...won't return for a couple of months yet.

TULARE - Mike wondering why he didn't get a couple of newsletters. He forgot to send his new address.

SAN ANTONIO - Jenny now has a cedar fence around the yard...ready to build her temple. Baby Scotty is doing fine.

OHIO - Received a copy of The Times Leader with a full page article and photos of a public handfasting performed by Lady Athene and Leo Martello. Interesting.

OREGON - Glenn now living in a small town there but may move to L.A. sometime this year.

SEATTLE-TACOMA AREA - Jeannie & Dean still preparing catalog, supplies, etc. Their pet bull snake, Delilah, needed 6 stitches after getting cut on something, but seems OK now. Both Jeannie & Dean received 2nd degree at The Festival Of Lights. Stef says she and Bob were just too busy to get down for the Yule Sabbat but had a pleasant one up there. Sabrina now has a pet gopher snake. Bob says it goes for coffee & donuts.

BALTIMORE - Morgana sent us a copy of the new K.A.M. newsletter...but no info on cost or ordering. It was beautifully done, and if it continues like that it looks like it might be expensive to reproduce.

DES MOINES - Finally received a card from Sefa. She reports lots of snow there. Also says she is buying a house. No mention of any new editions of Revival. Guess we should give up on that.

NEW YORK AREA - Hans Holzer called from Hollywood on New Year's Eve. Said he had hoped to join us but his filming schedule was too hectic. Maybe next Sabbat.

Anita says she still hopes to move out here but still can't sell the house yet. Son, Jeff, was in the hospital but apparently is OK now. Anita says she and her friends have given up on ever getting Revival...can't even get a reply to letters...hope to get a refund.

WISCONSIN - CIRCLE now has songs available on cassette, and other goodies. Send stamped, self-addressed envelope for flyer on various articles. Circle is also helping to plan a Pagan Festival for 1978 for the Midwest Pagan Council. Write for details CIRCLE...box 9013, Madison, WI. 53715.

That's All, Folks!
