So, there's this activity going on inside my abdomen, esp lower right, an  the right ball. Fears: cancer prostate.

But I have been gaining on for a long time. Esp. after the food poisoning or flu this. ~~Like~~ Like irritable colon or bowel syndrome.

Discomfort, only, not real pain.

Fear of prostate cancer invading upwards. etc.

~~19~~ April 99  
20 9.14a

the situation about Mom. Feel awful, usually  
now first thing in my thoughts. Mom resists. Sister  
totally disrupted. What can I do. I feel frustrated &  
guilty  This is awful, very depressing.  
Murleen's life is disrupted, mine would be too.  
Don't know what to do except to let Murleen  
handle it. Feel sad & angry.
