BRONX, N. Y. 10452

Dear A. E.

Oct. 30. 1973

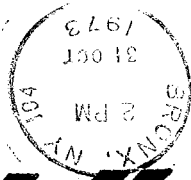

I wish I could be there in person
(of course at a physical distance of 2 feet plus)
to welcome you at your new address.
I guess you are having your hands full
with importantable activities so, I am
saying you my most assisnt good -
wishes - vibrations via the nonphysical
channel.

Enclosed is the check for the phone bill
since I caused it with what now may sound
like measurable careless talking. But,
with your very kind permission I will
send you all my love
