Ron and Mary Sue

THRU: A. Maren, Los Angeles

Dear Ron and Mary Sue,

Just a note to tell you of my appreciation for your telex addressed to myself and Dr. Hal Puthoff. It is indeed a pleasure to know of your interest. Dr. Puthoff is preparing an in-depth report which he will forward to you shortly. A few observations of my own are attached to this letter under separate heading.

Again, thanks, since your interest in all this means much more to me than it all put together.

Love,

cc: H. Puthoff
