## JUDGES' INSTRUCTIONS

- I. Seven categories and prizes have been established:
    1. BEST OVERALL FILM OF GENERAL INFORMATIONAL QUALITY AND INTEREST (\$1000). (Clarity of message, technical success, breadth of public appeal, and aesthetic presentation)
    2. MOST IMPORTANT MESSAGE FILM (\$500). (Presentation of an important point pertaining to the field that might go otherwise unnoticed by the public)
    3. MOST ARTISTIC FILM (\$500). (General aesthetic appeal)
    4. MOST ACCURATE AND WELL-MADE FILM (\$500). (Research factuality)
    5. MOST EXCITING FILM (\$500). (Theatrical, dramatic appeal)
    6. FILM MOST DIFFICULT TO MAKE (\$500). (Superior technical and/or special effects in relation to subject presented)
    7. BEST FILM IN ITSELF A MOVING PSI EXPERIENCE (\$500).
  
  - II. There are several criteria you may use in your judging. Perhaps the most important is: did you - and consequently the public - obtain a new understanding from the film. Then, does the film carry an aesthetic impact and is it of importance and accuracy as a communication vehicle. Technical presentation and scientific importance are also criteria. But bear in mind that this is a public presentation. Most people may be seeing these films and their subject matter for the first time. Thus, the overall criterion for judging may be the film's value as a source of public information.
- 

**SECURITY PRECAUTION:** To protect the integrity of the judging and the awarding of prizes, please do not discuss your impressions of voting with anyone except another judge. Please seal the envelopes provided for transmittal of judging information.

- III. In the Judge's Kit is a schedule of the films. As you view the films, please use the right margin for your notes, nominations and voting impressions.
- IV. Mark the category for which you are nominating the film, as listed on preceding page, and follow this with an estimation of the film's quality: Bad, Good, Excellent. Include special remarks if you have any.
- V. Address all queries, votes and impressions to INGO SWANN using the "Hansel and Gretel" envelopes provided. You may leave these at the box office, with Howard Parker, or Ingo Swann.
- VI. Miscellaneous:
1. As a judge it is hoped you will view all or the majority of films. For those films for which you will not be present, please assign your pages to another judge who will vote by proxy for you.
  2. Some judges appear in some films. For those films in which you appear, please disqualify yourself from voting by writing "disqual" along side that film.
  3. Six judges equal six votes. Zelda Suplee (screening committee) may be assigned some of the proxy votes. Howard Parker holds a seventh vote in case of split opinion.
  4. In event additional films are presented, it is possible that a special viewing may be set up for judges. You will be contacted. Telephone Ingo Swann for additional information if desired at any time, 477-4346.

Best wishes and thank you for your cooperation.
