

EXTRACT FROM VIRTUES, LAWS AND POWERS

BY "ANONYMOUS"

Introduction Published 1995 ISBN 1-885-186-83-5

There are people on the Earth today who hunger for knowledge of the mysteries of life. They may have sought to satiate their thirst for Truth through paths of science, art, philosophy, psychology, religion, or social services. Many, at the close of a long career in such fields, hear the hounds of death at their heels while their spiritual bellies ache with emptiness. They go to their deaths longing for the unknown, trembling with angst....

It may seem preposterous for this book to presume to fill some of that void by bringing to the reader the fundamentals of the natural Laws of the soul. Indeed, few people have ever considered that the soul of man has a type of matter, not unlike his flesh, although existing in a different octave of being. Few people are aware that there are principles, similar to known physics principles, that control the dynamics of spiritual matter. Furthermore, such spiritual Laws have a watershed effect upon the physical body of man and the Earth....

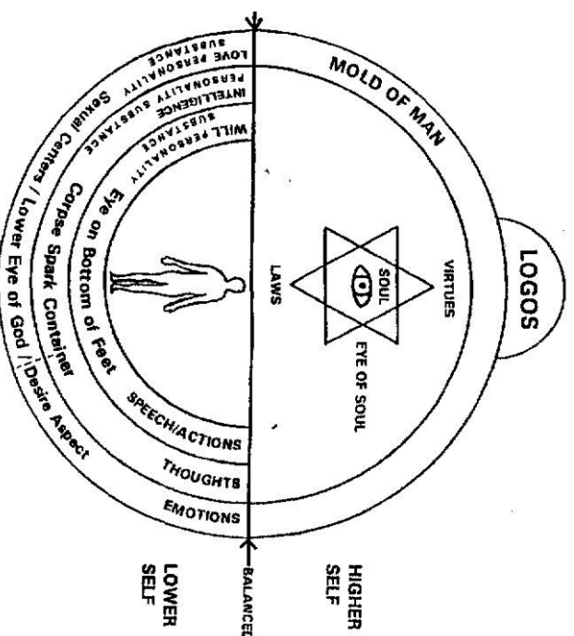

Most religions focused upon behavioral instructions, rather than the reasons that certain behaviors could block the path to spiritual power. People have, by and large, decided that the behavioral instructions are no longer valid and so have developed many blocks to the higher teachings....

It is now time to reveal the inner teachings, in hope that humans can understand the reasons for behavioral sanctions and thought control....

It is possible to heal oneself through the application of higher Laws. If humans can bring healing order to their own lives, then they can begin to bring order to their families and to their own culture. If they do that, they can start to bring order to the world.

Healing the world must start with healing the self. This book holds the ancient mysteries through which personal transformation is made possible, if the applicant is sincere and willing to change....

DOWSING MANUAL

EXCERPTS FROM:

ADVANCED ESOTERIC DOWSING CHARTS I, II, III

By Anonymous

Note from the Publisher:

The dowsing instructions included in the books Advanced Esoteric Dowsing Charts I, II, III are precise and they build upon each other in sequence. However this manual is printed to assist the beginner in becoming familiar with basic dowsing techniques.

1) By using a long narrow pointer (such as a bamboo skewer found in grocery stores) one can accentuate the subtle muscle movements that are in response to questions. It is possible to use the skewer like a pencil: allowing the hand to move over the page for a dowsing response.

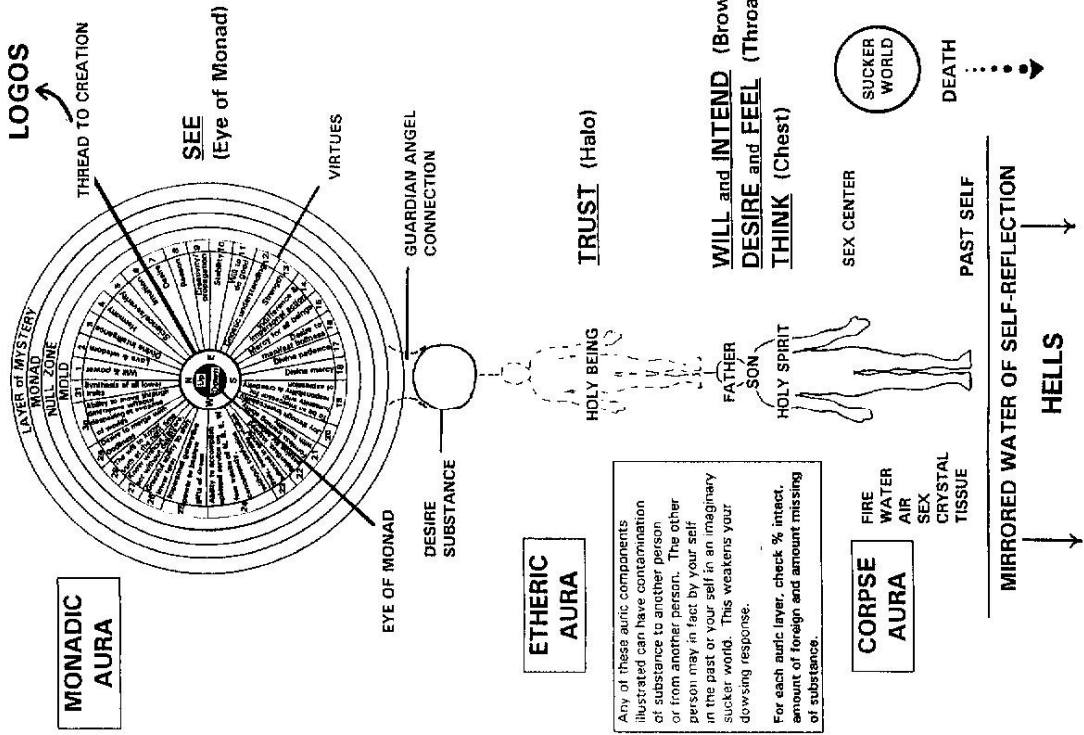

2) One may ask a specific question, or one may ask “What is the greatest disorder in my physical/auric bodies at this time?”

TO REVIEW:

Each question can be subdivided by each category listed in the previous pages. In other words, one can use one or all of the categories for every problem/question.

Another aspect of complexity would be the auric levels drawn in the chart below. Each level represents a complexity, while within every complexity holds a frequency range (arbitrarily designated 1-100).

AURIC COMPONENTS

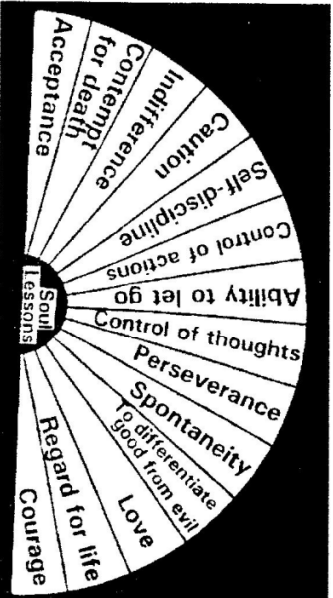

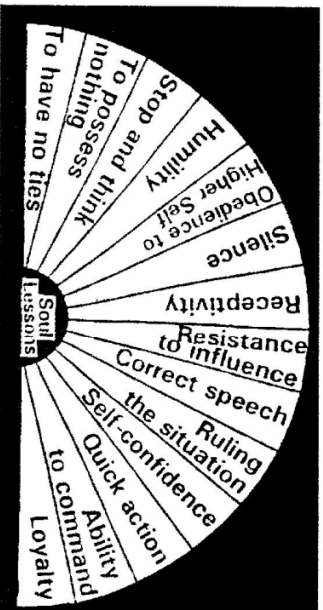

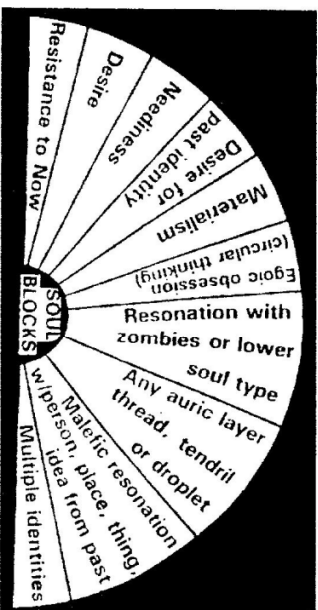

- 3) By keeping one's concentration on a series of qualities and quantities, one may refine the question to receive a more powerful clearing response. For example ASK:
 Greatest disharmony?.....pg 3
 Auric Layer/Regeneration Pools (similar to Acupuncture meridians).....pg 4
 Body Parts.....pg 5-6
 Direction/Time.....pg 7
 Location (i.e. World Map).....pg 8
 Frequency/Complexity: Quadrant Chart.....pg 9
 TO DO.....pg 10-12

4) Disorders can sometimes be quickly unwound or they may take layers of clearing over a period of days. One aid for understanding the causes and origins of disorder can be contemplated by dowsing over the Soul Blocks Chart and Soul Lessons Chart (on pages 13-14). Such a review allows the sub conscious to communicate to the conscious mind.

5) Brief explanations accompany most charts, however it is recommended to use *Advanced Esoteric Dowsing Charts I, II, III* as reference.

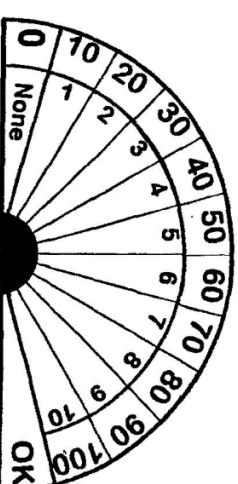

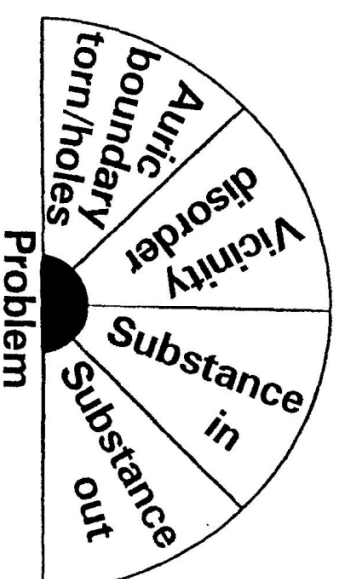

SOUL BLOCKS/SOUL LESSONS

GREATEST DISHARMONY OR DISORDER?

EXAMPLES:

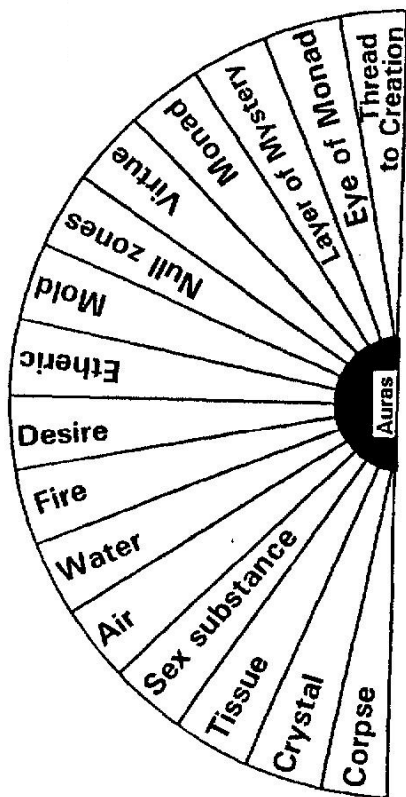

- How many people am I?
- How many people are me? (Phrasing works in sub-conscious)
- How many names do I have?
- How many consciousnesses am I?
- How many consciousnesses do I have?
- How many identities do I have?
- How many personalities do I have?
- How many people am I webbed into, or how many people are webbed into me?
- Am I (put name here)?
- How old am I? (This is a means to detect past self resonations.)
- How many evil birthdays do I have? (This is another way of locating counter-evolutionary old self resonations or a resonance with a person of a different age.)
- How many death frequencies are in my auric field?

TO CONTEMPLATE: SOUL BLOCKS and SOUL LESSONS CHARTS:

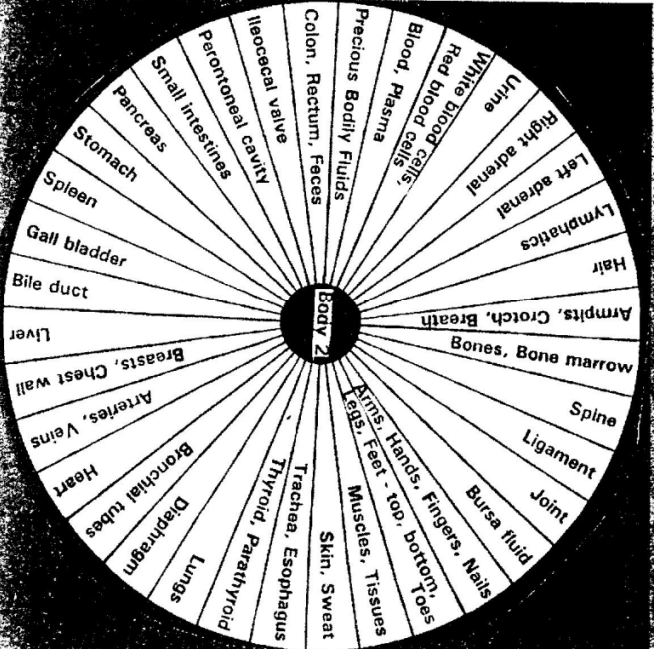

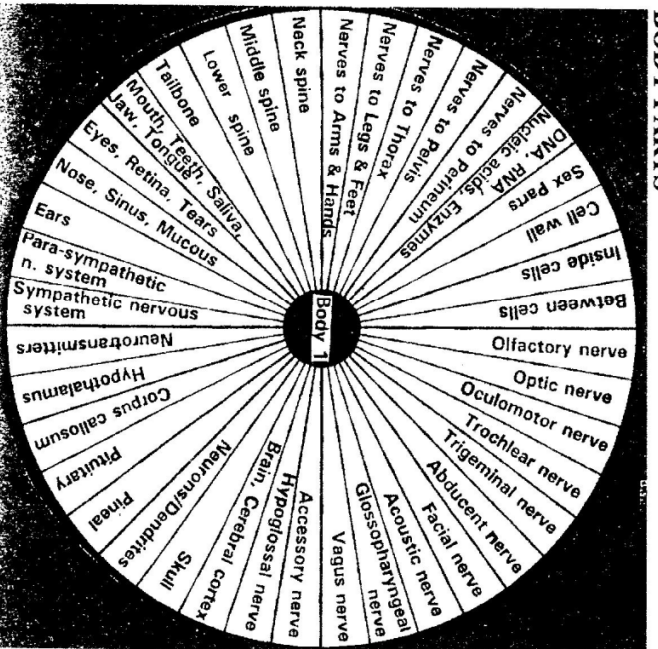

TO DO:

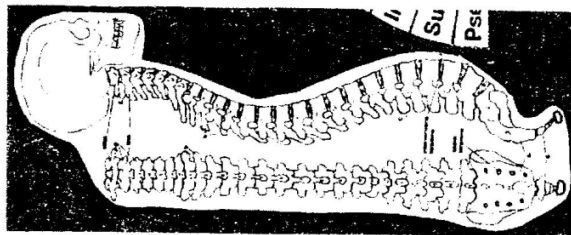

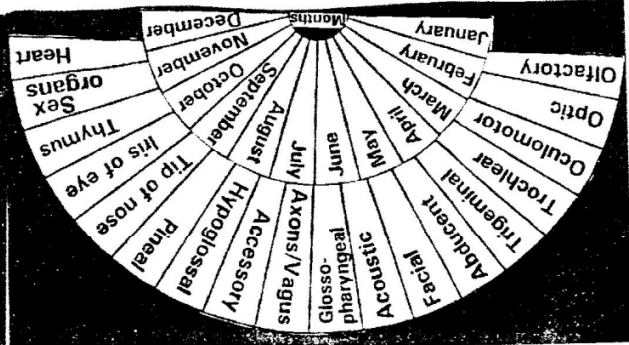

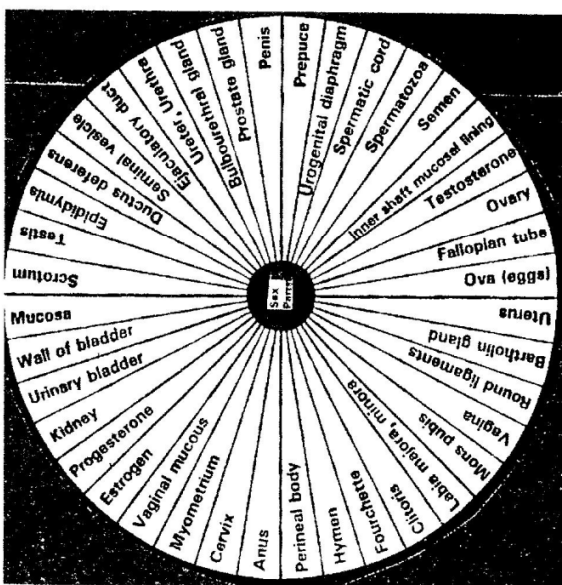

Apart from attaining true identity and aligning one's virtues, there is nothing more vital for retaining dowsing power than aligning with the universal laws. Perfect alignment with each of the universal laws can be measured as a degree of torque away from the Logeic impulse. This is illustrated by using a Law clock diagram as a dowsing tool. The first section to the right of the center (from 00:00 to 03:00) is the area of greatest alignment with the fundamental principles that control all manifestations and therefore power.

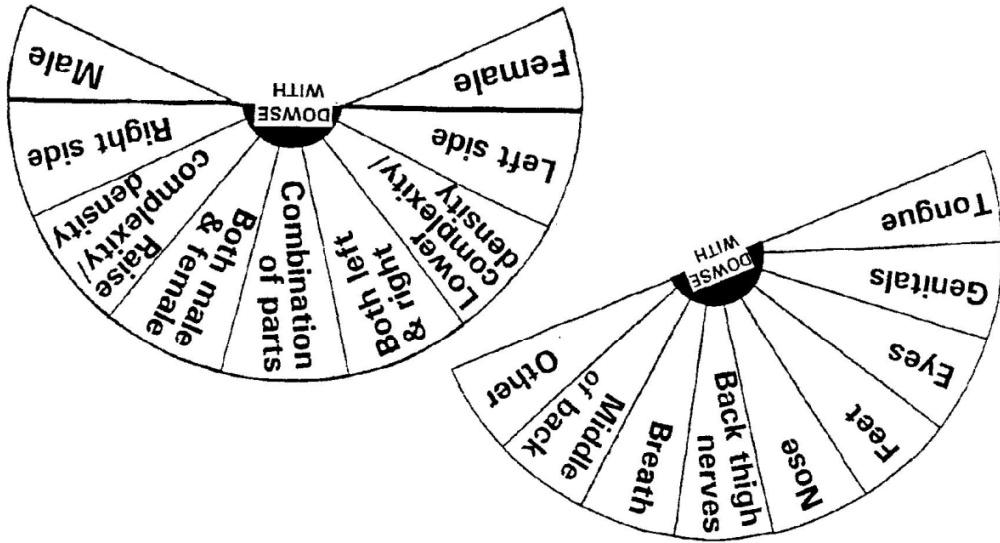

BODY PARTS

BODY PARTS:

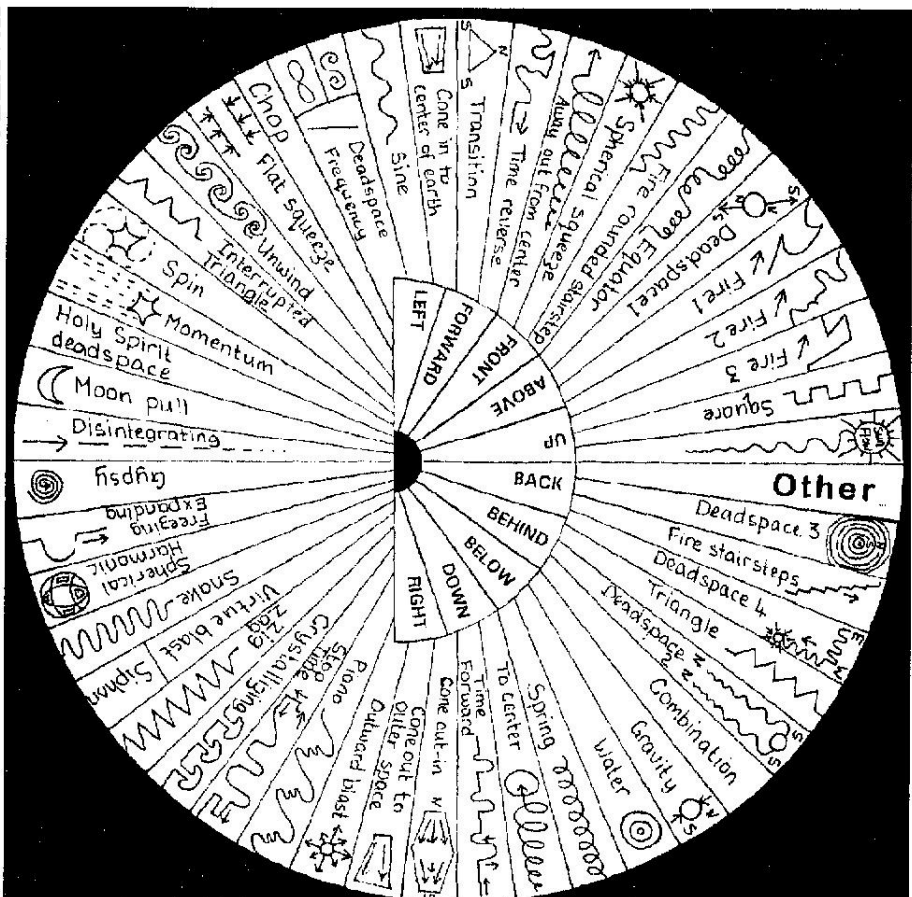

TO DO:

Often dowsing is enhanced by using the non-dominant hand or by focusing on dowsing through a specific body part while using your hands as merely the interpreter. For instance, you can dowsing with your eyes, your left kidney, or your tongue. You may need to dowsing from a male or female perspective no matter what your gender.

FREQUENCY/COMPLEXITY: QUADRANT CHART

QUADRANT DIAGRAM

All auric components can be evaluated as to complexity of pattern, frequency, and spiritual orientation on this Quadrant Chart. Each auric layer should resonate in the upper right hand quadrant which reflects alignment with Law and Virtues, and therefore power.
