Dear Nonesuch!

I'm just finishing the hardest part of the book, I think.

I don't think any other pieces will be hard to write.

Here is a Dr. Chalmers episode.

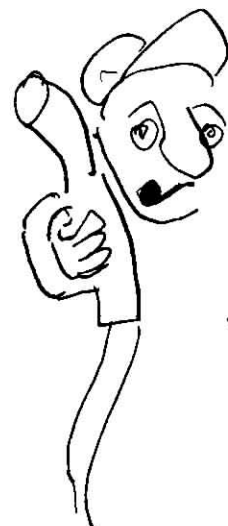

Oh?  
 Look again  
 at your gun,  
 Dorset,  
 I've magically  
 changed it  
 to a  
 GAS-PUMP  
 HANDLE!

Foreseeing  
 trouble in  
 that last panel,  
 I took the  
 precaution of  
 setting up  
 a rope  
 beforehand

But!

Heh,  
 heh.

Huh?

MARGH! yelled Dorset,  
 waking up.
